PRINCIPAL'S MESSAGE

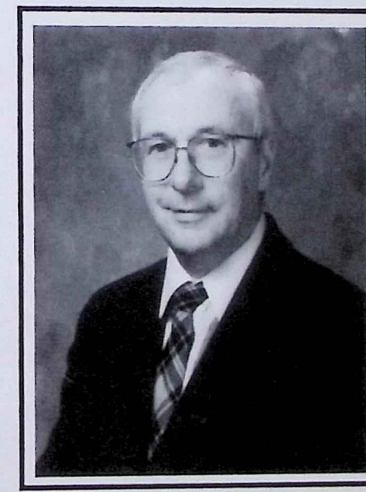

Congratulations to everyone who has helped produce another successful yearbook for Char-Lan District High School. These pages are filled with memories of your year of hard work and extra-curricular activities, as well as many humorous moments.

The students of Char-Lan have an excellent reputation throughout our school board. You are known for your conscientious work in the area of academics, your spirit and skill in sports, and your unselfish willingness to help. The pictures and articles in this book certainly reinforce those values.

Many students spent hours gathering information, taking pictures, raising money, and assembling the final product. Thank you to staff advisor, Nancy Van Velze, and your team of hard-working students for this tangible memory of the 1997-98 school year.

Nor'wester Trip to the Adirondaks

Real-Life Physics in Action

As I left from work one day,
It was a warm one, late in May.
I saw a man remove his hat,
Straight behind him's where is sat.
The car pool driver, lead foot plain
Crashed his car in the wrong lane.
Inertia, Newton's dear old friend
The hard hat did a good shove lend.
For if in motion things should be
They will remain that way, you see,
Till an outside unbalanced force should stop
Like that man's head, with a nasty pop.

Collin Kinnear

A Poem

There once was a Man,
who cooked all his food in a pan.
When his dog would scratch or bark,
this would mean he had to fart.
The dog was constipated you see,
so he had to be stung by a bee.

This poem is dedicated to the little old lady
who lived in a shoe, but it smelt too bad so
she moved to a boot.

Char-Lan volleys to ninth title

It's nine in a row for the Char-Lan junior girls' volleyball team.

The girls claimed their ninth consecutive SDG championship title on Feb. 26, defeating Tagwi 3-0. Scores were 15-3, 15-13, and 15-12.

En route to the big win, Char-Lan defeated the Rothwell-Osnabruck Lancers 15-6, 16-14, and 15-9 in the semifinals.

The games were played at Char-Lan.

The Char-Lan seniors did not fare quite so well, dropping 3-1 to the Lancers. Scores were 5-15, 15-9, 16-14, and 15-4.

Earlier in the semifinal round, the Char-Lan seniors had defeated the Tagwi Warriors by scores of 15-11, 15-6, and 15-4.

With the win, the junior Crusaders earned the right to advance to the EOSSA championship being held today at Pontiac High School.

The team is coached by Char-Lan teacher, Paul Carriere.

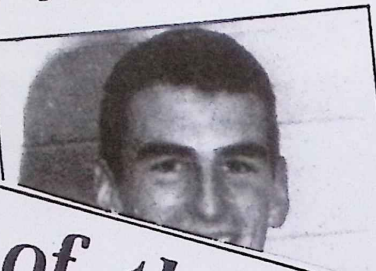

Team of the 90's

may be time to re-define the term "dynasty." The Char-Lan District SDG junior girls' "A" volleyball championship presented this decade.

Teacher rewarded by board

By SUE HARRINGTON
News reporter

Char-Lan teacher, Mary Jane Ferguson, does whatever she can to see that her students are made aware of their competitions and contests. So it seemed very fitting that she herself was named "teacher of the year."

The board of trustees recently honored Ferguson at the SDG Public Office in Cornwall.

She has been a parent volunteer for the school for many years.

Though she is living in Glengarry, Ferguson received a BA in Education from the University of New Brunswick.

According to the school board, Ferguson is a dedicated teacher and a dedicated person.

Crusader 98 Editors' Message

The yearbook staff worked hard this year to produce a collection of memories for you to treasure. No single person was in charge, but instead the entire staff worked together on layout, photography, advertising and fundraising with dedication and fresh ideas.

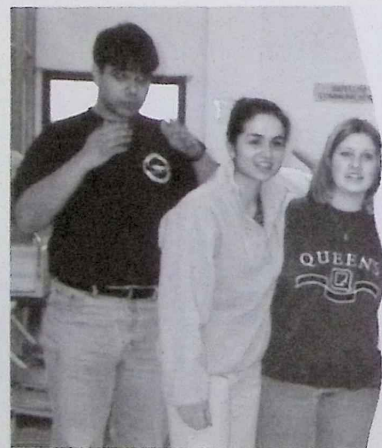

We would like to thank our staff advisor, Ms. Van Velze, for her endless creative suggestions, her advice, and her help with the computers. She was handling both layout and advertising for the first year, and was able to guide us through any rough spots.

We would also like to thank the teachers, secretaries, guidance department, custodians and Mrs. Mayer for their support and co-operation. Special thanks goes out to our parent volunteers for their much appreciated time and effort.

Last but not least, thanks are extended to all the members of the yearbook committee, without your hard work, **Crusader '98** would not have been possible.

Editors to the bitter end:

Heather Kennedy, Leesa Jarvo, Sarah McLean, Corey Kalsi and Jennifer Green.

I have enjoyed teaching math to the present group of Char-Lan students and, in some cases, to their parents.

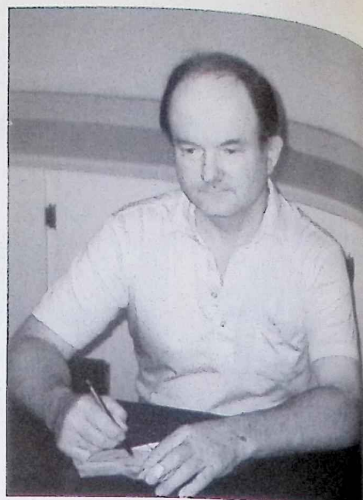

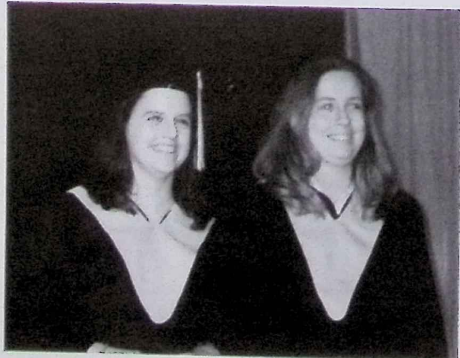

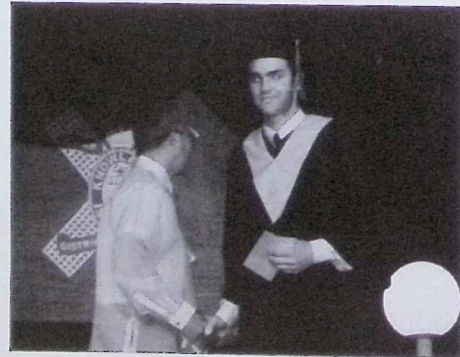

Advice to students: Remember to ask questions when you don't understand something. If you knew everything, you would not need an education.

Drive alone in just eight months!

Ontario has a new Graduated Licensing law.

It says new drivers have to practice for one year before trying their driving test.

But if they take the Young Drivers course first, they only have to wait *eight months* to drive alone, anywhere, at any time!

The same law says learners must practice for the first eight months with a *licensed adult*.

And if that adult is you, you're going to want Young Drivers to teach them to drive safely.

Then spend eight months practicing with confidence.

It could add years to your life!
