Is Pleased To Present
To You...**

Yearbook

2007-2008!

The Head Honchos

John Danaher,
Mr. Head Honcho

Many of you will be graduating this year and continuing on your life's journey. You will certainly be missed and we wish you all the best in future endeavours.

To those students and staff returning to Char-Lan in September, we will continue together to make this school a wonderful learning environment full of rich experiences and memorable events.

On behalf of the staff, I want to wish everyone a safe and rewarding summer.

William Fielding,
Second in Command

I would like to congratulate the Yearbook Committee on their hard work and diligence in producing this year's Yearbook.

As you look through this Yearbook think of the good memories of your time at Char-Lan. Life brings us many challenges. You will meet and overcome these challenges by taking the skills learned at Char-Lan and putting them into practice. Your time at Char-Lan is one brief moment and one small step in life's journey. As you move forward take the time to reflect on your experiences at Char-Lan. Think positive and enjoy your future!

Hey Crusaders! As this year's top editors, we are very proud to present to you the 07-08 yearbook! Together we have taken what seems like a million pictures, and spent countless hours over a computer, but in the end it was all worth it! Our small yearbook committee has worked very hard to make this yearbook the most spectacular one ever. We would like to thank our yearbook aid Greg Blythe, Mr. Fielding, Miss. H; who lets us in the lab every time, and our yearbookies, because without you we would have no yearbook. We hope our hard work and dedication leaves you with lots of memories to enjoy over and over again!

Sincerely,

Chelsea Renaud & Kayce Dixon
Top Editors

Dear Crusaders,

Another year has come and gone at Char-Lan DHS and it seemed to fly by! Whether this was your first year of high school, final year of high school, or somewhere in between, I sincerely hope that it was a memorable one. Student council worked hard to try to contribute to the quality of your school year. Grant Vander Burg, Shauna Fontaine, Kaitlin Proudfoot, and Tyler Spink, you four made it happen! Congratulations on your hard work and enthusiasm this year! Mr. D, Mrs. Vander Burg, and Mrs. David, thank you for all your help and guidance. To all the staff, thank you for putting up with us and our crazy ideas! A special thank you to Mr. Danaher and Mr. Fielding, because without your support, none of our ideas would have been put into action.

Crusaders, you should give yourselves a pat on the back for all of your spirit, without you, there would be no point in having what-not-to-wear, pyjama, or crazy hat day!

Good luck to the future president, and thank you to all for ensuring that I will never forget my year as student council president!
