Crusader Mash-Up!

I would like to congratulate Mrs. Grandy and the yearbook committee for all of their time and effort in making this year's edition a wonderful collection of memories and experiences for each of us.

Many of you will be graduating this year and I want to take this opportunity to wish you well as you begin a new stage in your lives.

To those students who are returning to Char-Lan in September, we will continue to make this school an exceptional place where academic excellence and opportunity for all come together.

Please have an enjoyable and safe summer.

- J. Danaher, Principal

A Day in the Life of Our Administrators

I would congratulate the Yearbook Committee for their hard work and dedication in making this book possible. Well done!

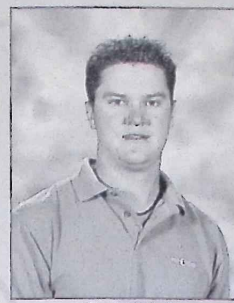

Congratulations to our 2009-2010 graduating students. Graduation is an important milestone in your life. While you have worked hard to achieve academic success, you have also made many friends and great memories along the way. May the knowledge and friendships you've gained here at Char-Lan help you along your path, wherever life may take you.

And to our returning students, have a safe and happy summer. I look forward to seeing you in the fall.

Student Council

Dear fellow Crusaders,

We, as your Student Council Co-Presidents, would like to thank you for such a wonderful year. It has been a pleasure watching you participate in the activities that we and the rest of student council worked so hard to organize for you. We had the opportunity to try many new and hopefully exciting things that we trust you enjoyed.

Each one of our Council members made great contributions to planning all of the activities this year. We would like to thank: Mr. D, the father of our group; Mrs. David, the mother of the group; Mrs. Vanderburg, the other group mother; Hannah Pearson, Cameron's sister; Matt Lavalley, Cameron's brother; Jenn Rose, Elissa's sister; and Maddy Poplett, our Vice President and note taker, who just so happens to be Elissa's cousin-in-law. Together we made one great big happy family.

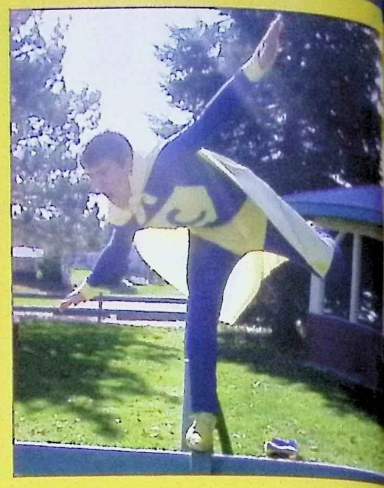

However, a family cannot function properly without a great community around them. You are our great community, crusaders! Thank you for making us a functional family with all your participation and school spirit. Have a healthy and happy summer and enjoy the next few years you have remaining here at Char-Lan. Time goes by so fast, so cherish every moment.

Vow Of Silence

We are fortunate to have had 31 students come together and participate in our annual "Vow Of Silence" to raise a total of \$400.00. The purpose of the "Vow Of Silence" fundraiser, which prohibits participants from communicating for 24 hours, is to help students understand the plight of child labourers whose voices are not being heard. In addition, our Free the Children group held this fundraiser in order to work towards our goal of building a one room school in Kenya, as well as to ship medical supplies to developing countries.
