CHAR-LAN DISTRICT HIGH SCHOOL

Principal's Message:

On behalf of the Crusader community, I want to thank the yearbook staff for all of the effort that went into this year's edition of the yearbook. To our graduates, I want to extend my best wishes to each one of you. Finally, high school is over and you are well prepared for life wherever it may take you. For our students who are returning, it is my hope that we will continue to make this school the place where we all want to be! Please have a safe and happy summer. See you in September!

John Danaher

Vice Principal's Message:

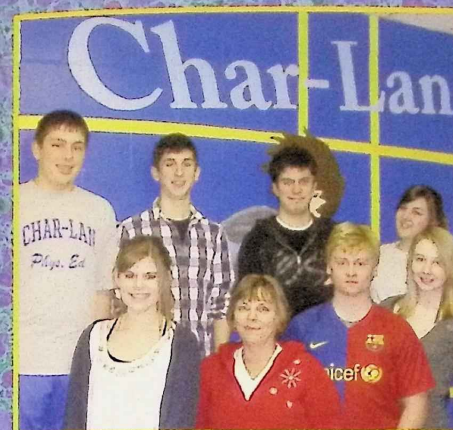

In years to come, as you look back through Crusader 2010-2011, I hope these pages of memories help you remember the wonderful times you've had both in class and out. Classes, clubs, teams, theme days and friends - these are the things that make a school year special. I would like to congratulate the yearbook committee for all its hard work to showcase the fun year it's been here at Char-Lan.

I would like to congratulate the graduating class and extend my best wishes for all your future plans as you begin the next journey in your life.

Angela Grandy

Your Student Council

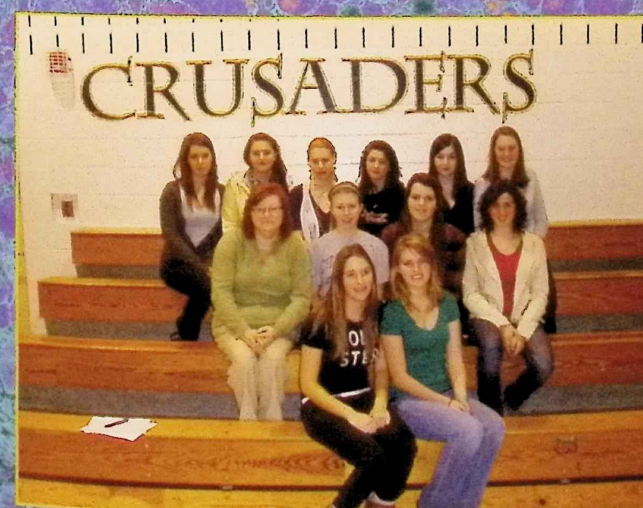

Student Council is ecstatic to have been able to provide Char Lan District High School with yet another fantastic year. Our hard work has successfully awarded our students with opportunities to interact with all students in a positive way. Student Council enjoyed providing these interactions through Leadership Quest, St. Andrews Day, 'Holiday Week' and our 'Winter Wonderland' semi-formal. Student Council aimed to provide a fine balance between academic success and social unity. Student Council wishes the best of luck for all students and graduates in the many years to come!

Thank you,

Hannah Pearson, Matt Lavallee, Martin Gauthier,
Brent Small, Krystal Hubert, Lawson MacDougall,
Emily MacMillan
Mrs. David & Mrs. Fontaine

Yearbook Committee

It's been a rough ride, but we've done our best, Crusaders! Everyone worked hard this year and we editors are so proud of what we've accomplished. We'd like to thank Mrs. Grandy and Mr. O'Farrell for all the time they've taken out of their busy lives, to be our yearbook advisors. We'd also like to thank all of our Yearbook staff and Jostens for making this all happen! We hope you enjoy this year's book as much as we enjoyed making it.
