

Char-Lan District Intermediate and High School

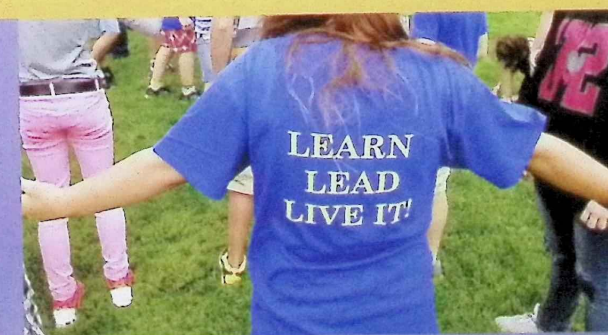

# Crusader Year in Review

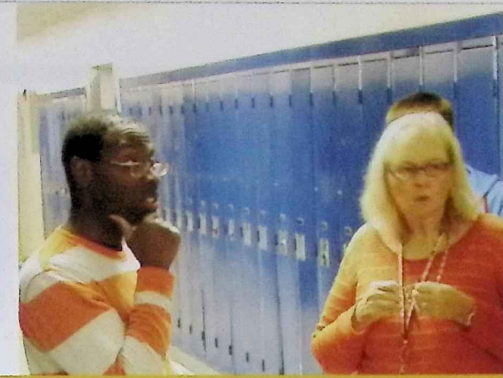

What a year!

## "Learn, Lead, Live it"

## Principal's Message

It is my sincerest pleasure to extend my best wishes to all of our Crusaders as our 2013-14 school year comes to an end. I am proud to serve as the Principal of Char-Lan District High School. The positive energy in the building from the first school day in September was palpable. Student Council, students, parents and staff engaged in many excellent activities that were educational and fun.

When we look back on this school year, we cannot help but be reminded of the fantastic guest speakers, successful athletic events, assemblies, a community-minded Terry Fox Run, and many lively spirit days that have made this an exceptional year. "Learn, Lead, Live It!" has been a strong message that has been woven through the past ten months demonstrating the value our Crusaders place on their learning, hard work, innovative spirit, and positive energy. Our students use their critical thinking skills and school experiences to help and to lead the people within our school and our community.

When you look back on the past year, remember the many successes and positive times we have had together. When you look at all of the photographs and smiling faces, remember the people and personalities who have made this year exciting and enjoyable. To all of our Crusaders coming back next year, we need you all to become future leaders at Char-Lan - in academics, athletics, extra-curricular activities, and our community. To our Crusaders who are graduating and moving on, I wish you the best fortune in your post-secondary experiences. Take the best that you have learned at Char-Lan and apply it to your life and your aspirations.

I would like to thank the entire Yearbook Committee for all of their fine work in organizing this wonderful yearbook for this memorable year. Thank you to all of the students who assisted our staff in producing this book - from taking pictures to organizing the artwork. To the entire Crusader community, please enjoy a fun-filled, adventurous and safe summer. I look forward to seeing you all in September.

TREVOR WHEELER

## Vice-Principal's Message

As I sit down to write, it is hard to believe that my second year as vice-principal has come to an end. September 2013 saw Char-Lan's newest principal, Trevor Wheeler, leading our school with the retirement of former principal John Danaher. We were excited to welcome Principal Wheeler to our school and wished Mr. Danaher many years of good health and happiness in his retirement.

Building on our tradition of excellence in academics and athletics our theme for the year, "Learn, Lead, Live it!" embodied all that we did. Teachers, staff and students emerged as critical thinkers and embraced literacy across all curricular subjects and grades over the year. Crusaders demonstrated their ability to lead as we moved to one student council representing grades 7-12 and turned our attention to social justice issues locally and globally. Whether you are returning to Char-Lan or beginning a new chapter, it is my sincere hope that you will continue to "Learn, Lead, Live it!" each day.

Carl Binette, grade 11, did a two credit co-op program at the South Glengarry Township Garage. While there, Carl got to work on motors, small equipment and job shadow alongside staff with day-to-day maintenance of equipment. Carl participated in the SD&G Skills Competition and placed 3rd in the small engines competition, advancing him to the next level in Kingston.

Noah Billings, grade 12 helping out with Char-Lan school maintenance.

# COOP PROGRAM

Char-Lan offers a co-operative program to students in grade 11 and 12. Whether it's for one, two or four credits, students are encouraged to investigate potential career opportunities by job shadowing that career to see if it's something they would like to pursue in future. It enables students to work independently, use their time productively, work in teams, develop organization skills and learn first hand good work habits.

This year, there were 38 students who participated in Co-op this year. Mr. O'Farrell and Mr. Carlisle were the teachers involved in the program.

Keep Smiling

Student Council created a goal to make this school year the most memorable one Char-Lan has seen in a long time. We wanted Crusaders to look back upon 2013-2014 and think, "Wow! That was a year that I will NEVER forget!" Personally, we believe Student Council definitely achieved this goal. Our club worked insanely hard all year on masterminding remarkable events such as Rock N' Roll Day, the Kick Off to our Chocolate Bar Fundraiser, our Generosity Week and Assembly, Christmas Activities and of course...NERD DAY! Out of all Student Council's Spirit Days, Nerd Day was the closest to our hearts. It was more than just a day with great food, and a fun assembly. It was a day where everyone was to embrace their inner nerd, and be proud of who they are! It also looked at our character trait of INCLUSIVITY, especially by creating a school wide music video to Katy Perry's song "Roar"!

We would like to extend a massive thank you to any Crusader who helped make these Spirit days possible. We couldn't have made this year successful or outstanding without you. Also, Student Council would like to make a special shout out to anyone who participated and supported an event created by Student Council. The TRUE spirit of our school! We also had awesome teacher adviros, Mrs. Fontaine & Mrs. VanDerburg, who encouraged all of our wacky ideas. No matter where the road takes you, remember Glengarry is Home!

# YEARBOOK Message

**From left to right:** Riley O'Farrell, Jade Verkruisen, Nick Everett-White, Annie DeRochie and Elizabeth MacDougall **Missing:** Katie Gaucher, Olivia Qamanirq, Advisors Mr. O'Farrell, Mr. Blois and Mrs. DeRochie

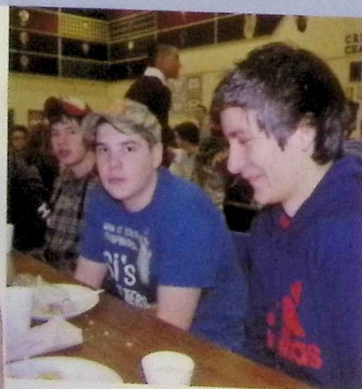

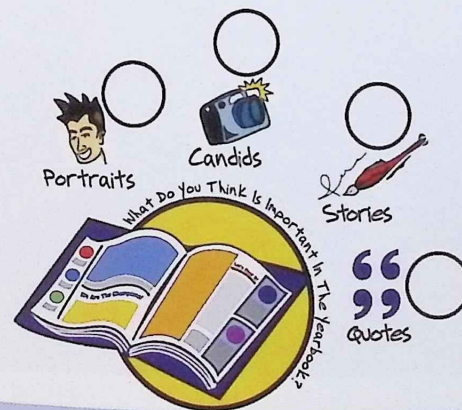

We are proud to present the 2013-2014 Char-Lan yearbook - A combination of our achievements and activity days as Crusaders.

As part of the club, we met bi-weekly and were advertisement sellers, photographers, reporters and desktop designers for the book.

We want to thank the many community businesses who supported us by purchasing ads thus reducing the high cost from \$50 per book to \$30. We truly appreciate it!

We tried to have each student in the yearbook at least three times ... sometimes a very difficult feat to accomplish as many did not want their photos taken or failed to submit photos through our "Replay It" on-line site.

We hope that this yearbook will remind you of treasured memories at Char-Lan. Look for Dave - how many can you find, the answer is on page 85.

# Blue & Gold DAY

In September, our first event was blue and gold day to show our SCHOOL SPIRIT! We were a sea of blue and gold! Some students really got into it by wearing outrageous costumes and makeup.

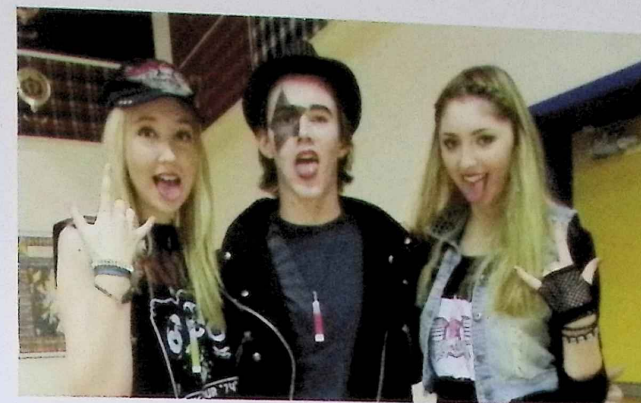

GO CRUSADERS GO!

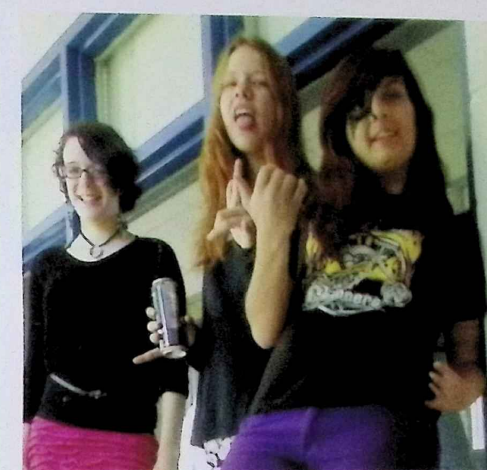

# Rock & Roll DAY

It seems that the term "Rock & Roll" meant sticking out our tongues or so the photos we captured told. We were punked! Black was a popular themed colour and "KISS" imitators were aplenty. Those participating had fun and that just adds to our school spirit.

Bad to the bone - yeah ... rock on!

27

We've got the smiles and the spirit!! :)

We're the smily guys

Go Char-Lan, go Char-Lan, go Char-Lan .... yeah!

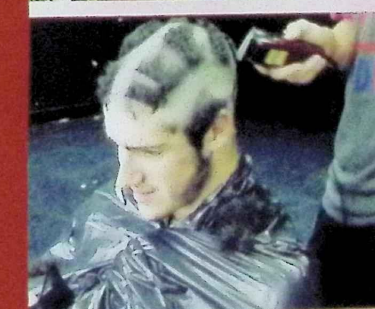

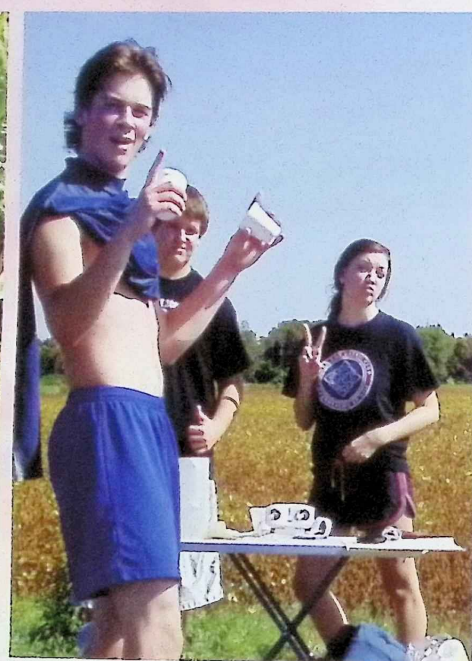

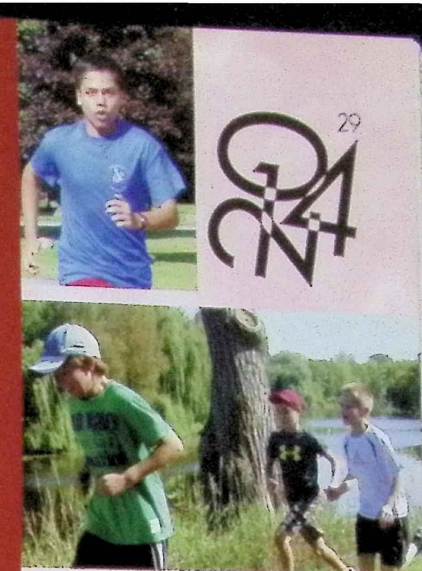

If only we could all be cool dudes like Jade!

# Terry Fox RUN

On Friday, September 20th all the students and staff from Char-Lan participated in the annual Terry Fox Run. It was a gorgeous day and everyone could walk or jog 5km or 8km. Over \$3,500.00 was raised in pledges for cancer research.

This was another example of phenomenal community spirit and social justice awareness among our students. Stations were set up to provide water and the Envirothon club sold ice cream cones to raise club funds.

A shave your head bald contest also took place with Liam Vipond graciously raising \$100 amongst the teachers for losing his long locks! Good sport Liam!

Awesome support Crusaders!

# Going Purple for Prevention

October is Child Abuse Prevention month and on Friday, October 19th, Char-Lan supported the cause and united with the Childrens Aid Society of SD&G by wearing purple. The whole school was a sea of purple. Some really got into it by wearing outlandish costumes (way to go Morf Man AKA: Tyler Warden (grade 7)!

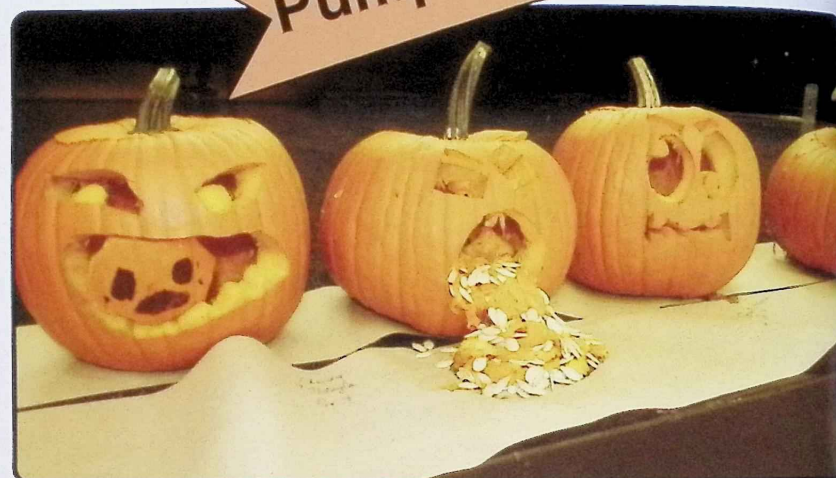

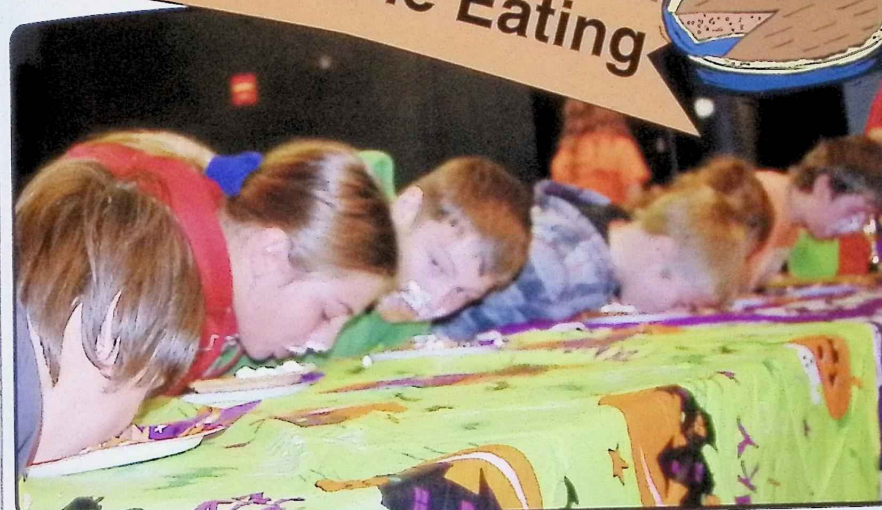

# HALLOWEEN

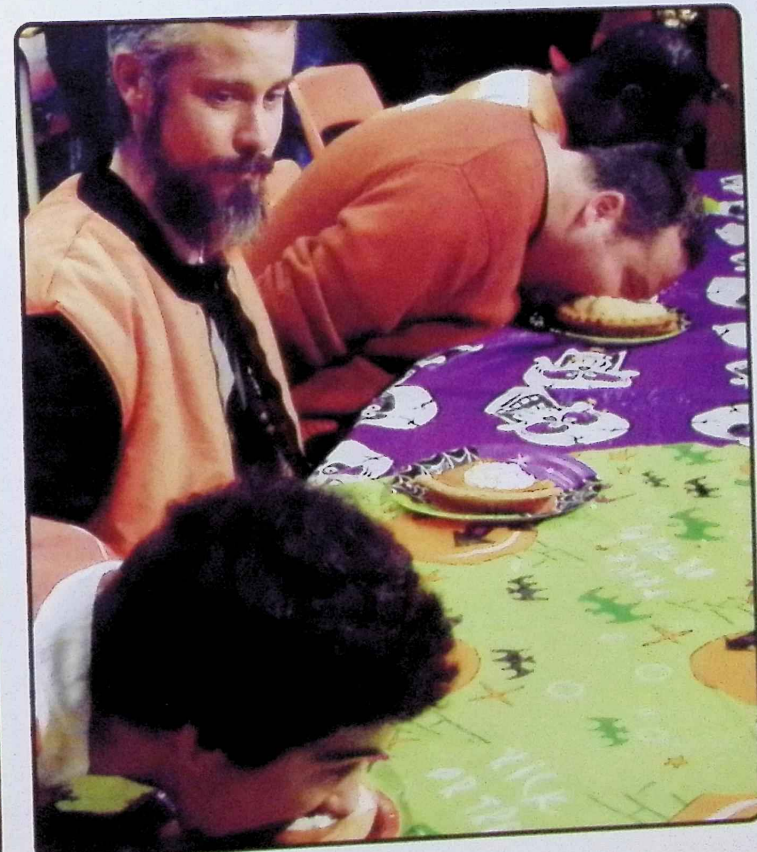

## Pumpkin Carving

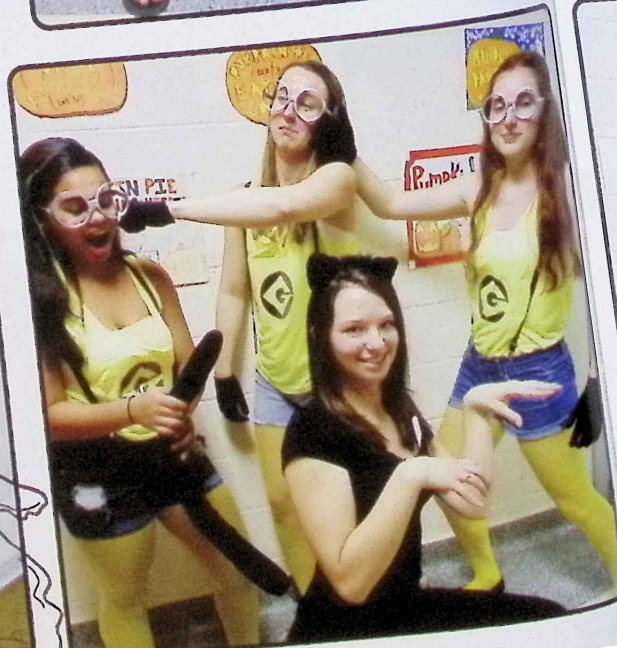

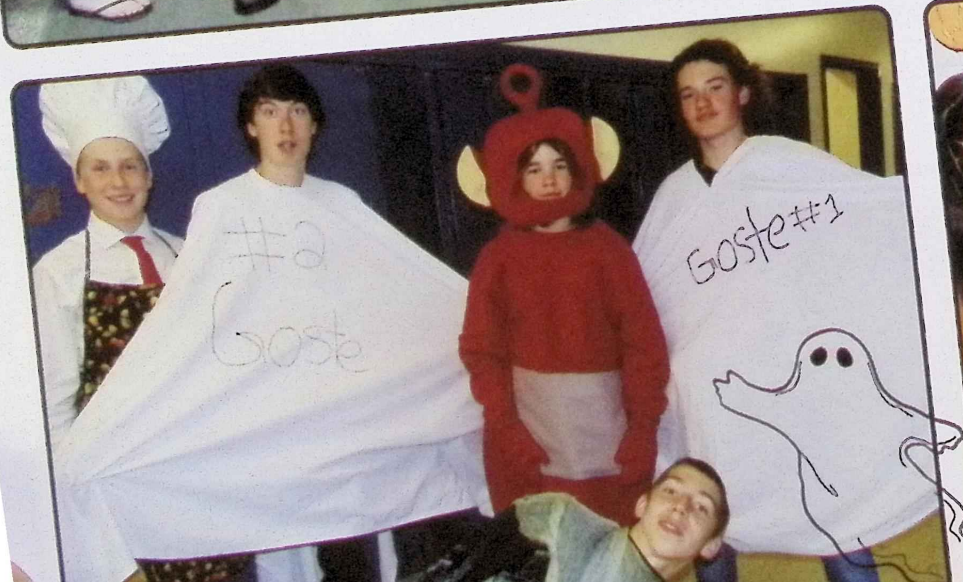

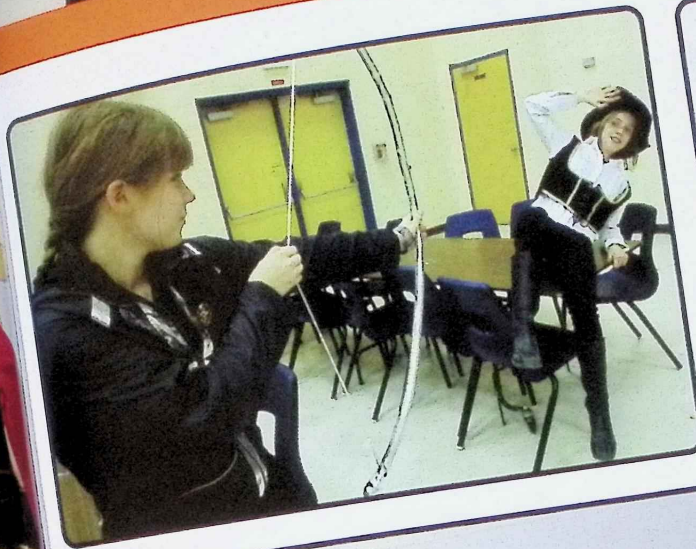

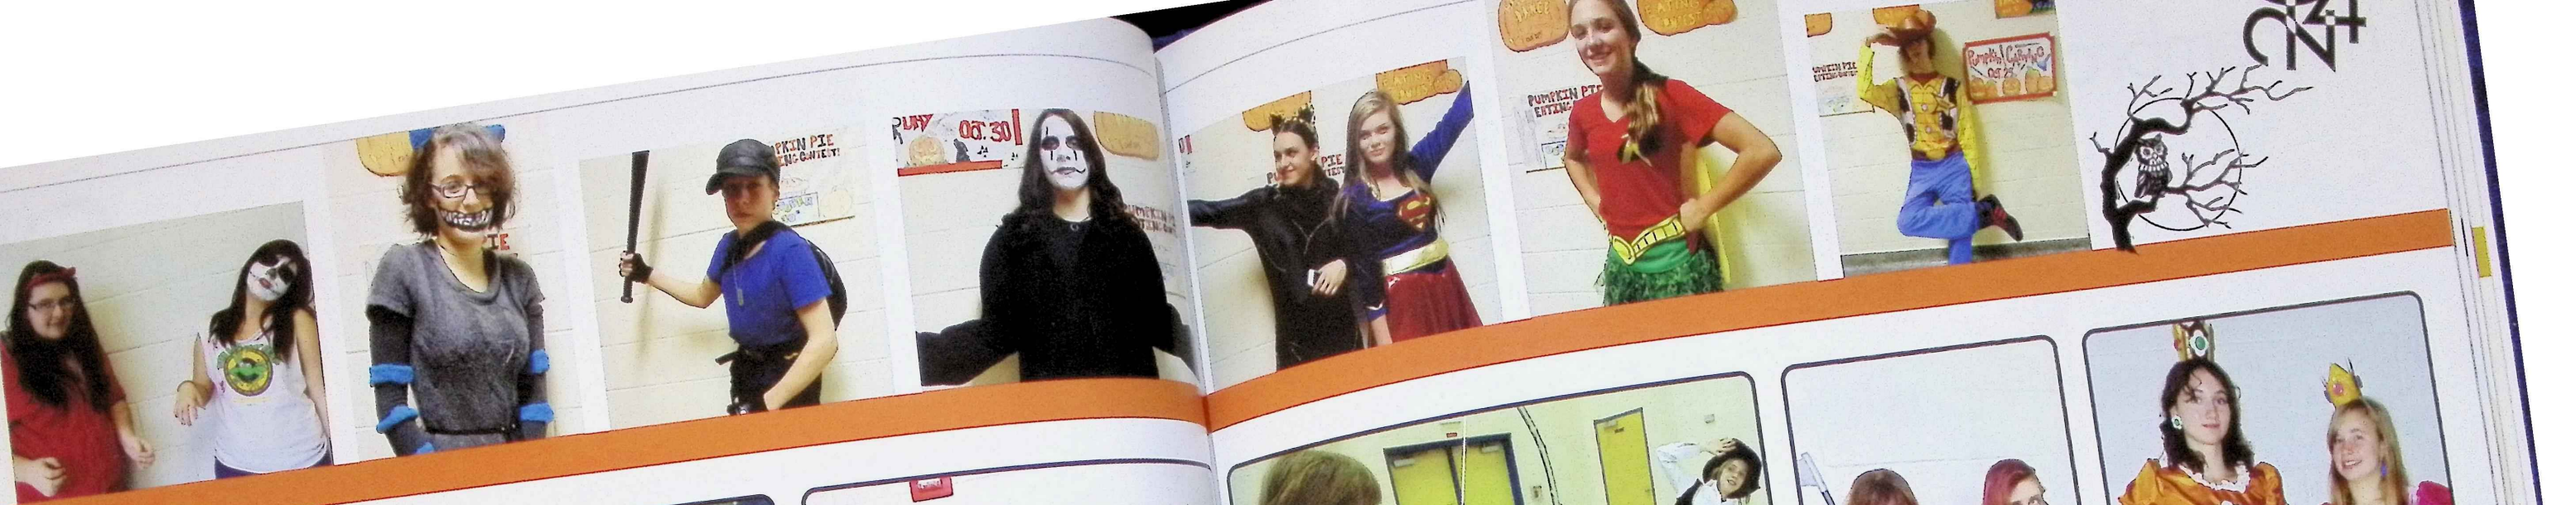

## Pumpkin Pie Eating

This Halloween, we were treated with a wide variety of fun activities all throughout the week. This included: pumpkin carving, pumpkin pie eating, Name that Halloween Tune, and of course the spooky and festive dance. Everyone participated with great enthusiasm and the costumes were some of the most unique Char-Lan has ever seen!

# Remembrance DAY

On Monday, Nov. 11 Char-Lan held its annual Remembrance Day ceremony. We heard from Major Bill Chambre of the Canadian Air Force as he shared his experiences and the experiences of South Sudanese child soldier Emmanuel Jal.

In the afternoon, Warrant Officer Richard Corneau from the Royal Military College presented a slideshow and video presentation to our grade 7 to 10 students.

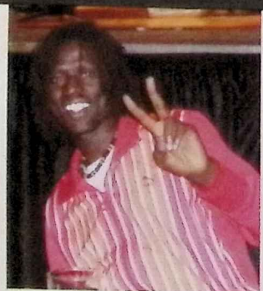

On Friday, November 8th, Mrs. Phyllis Labelle, a volunteer with the Memory Project, spoke about her experiences while serving with the RCAF both in Canada and Europe from 1961-1968. She also highlighted the Memory Project.

# Zombies / Black DAY

Mrs. MacMillan's OSAID group hosted a special presentation about the dangers of drinking and driving on Friday, November 8th at 1:00 p.m. Students were asked to dress as zombies or in "black" in order to pay tribute to all the people who have been killed or injured in alcohol related accidents. Students watched a new film sponsored by Madd Canada (Mothers Against Drunk Driving). It was a multimedia presentation on a special large screen. Char-Lan's OSAID group was awarded a showing of this special film free due to the club's years of faithfulness to the cause of promoting safe driving. The cost is usually \$1000 to schools across Canada. Thanks go to MADD for encouraging our Club!!!! This year OSAID's student president is Michaela Flipsen.

# Nerd DAY

On November 14th, students were asked to be the best "nerd" possible. The day was about embracing your inner Nerd and being proud of who you truly are!

There was also a best Sheldon Cooper look-alike contest which was won by Ben Lafave. Nerdy contests were held for all Crusaders to participate in.

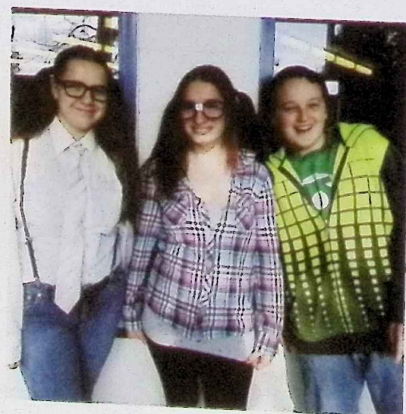

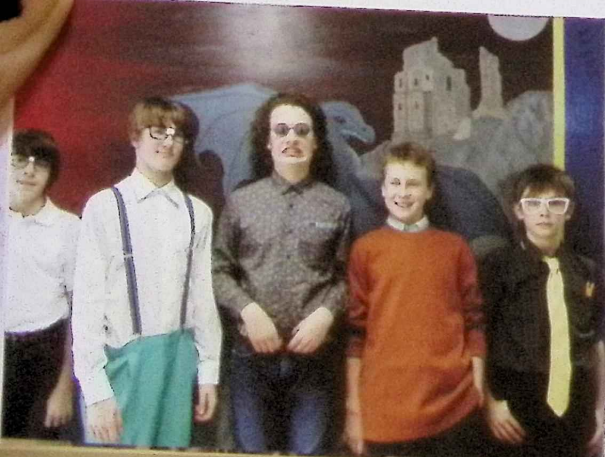

# Crusader NIGHT in Williamstown

Char-Lan District High School and the Jr. B Rebels sponsored a "Crusader Night in Williamstown" on Saturday, November 30, 2013 in which staff and students enjoyed a fanfare of Char-Lan activities before attending the hockey game at 8:00 pm. The activities began at 6pm and students could choose to participate in the following: Mini-stick hockey game gymnasium, Banner Decoration Team - Cheer on the Rebels!, Shooter-Tutor Game - Test Shooting Accuracy, Floor Hockey game - gymnasium, Hot Chocolate and Treats, Face Painting, Cheering Squad - Shout Out for the Rebels! Live Music, NHL 2013 Video Hockey Game Competition and Prizes for most spirit.

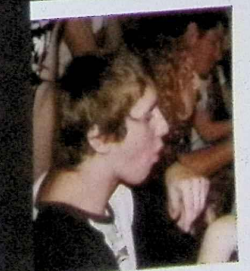

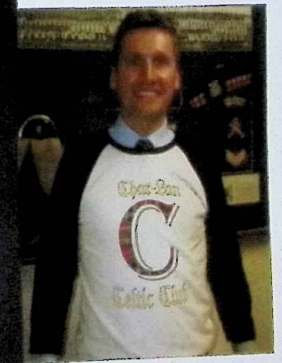

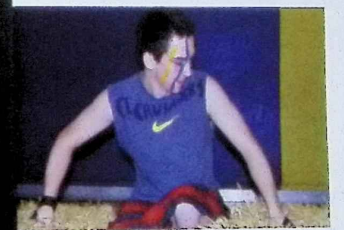

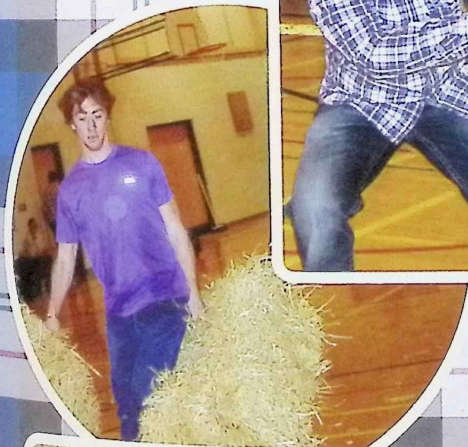

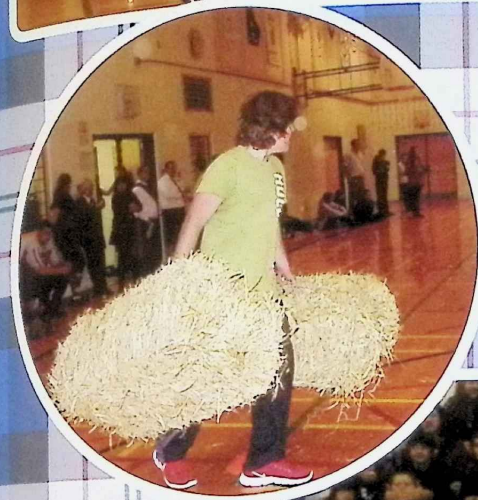

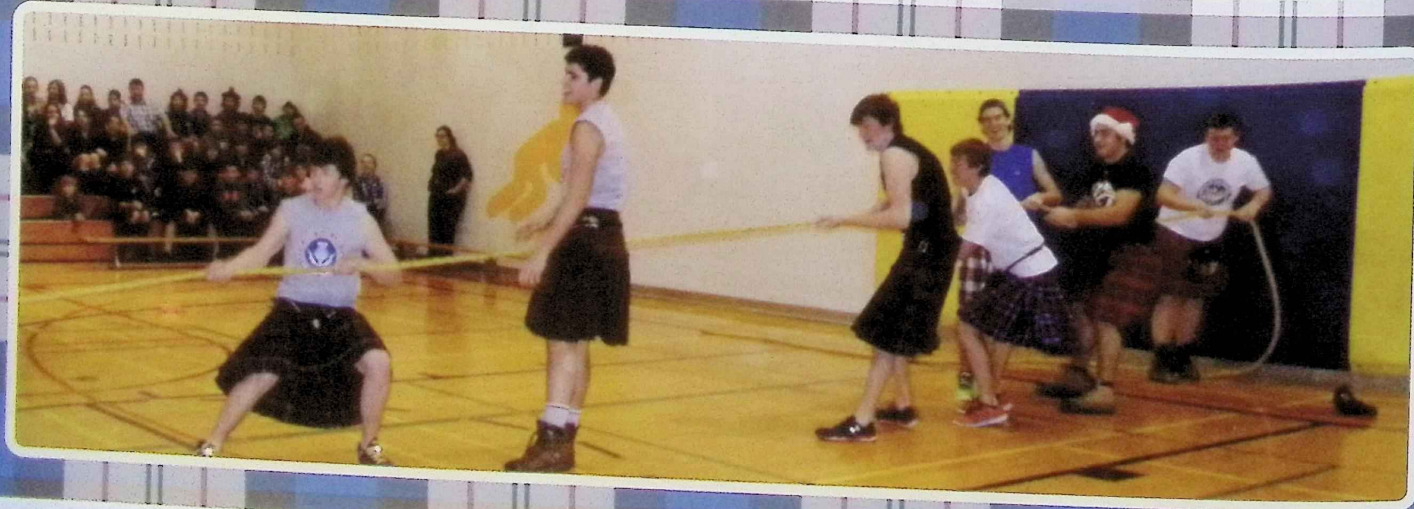

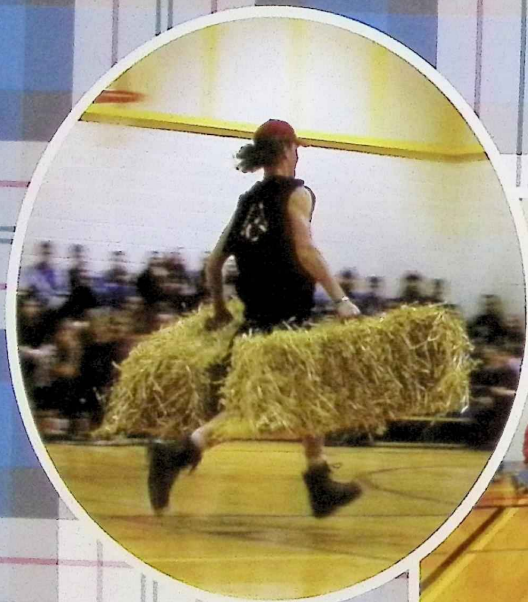

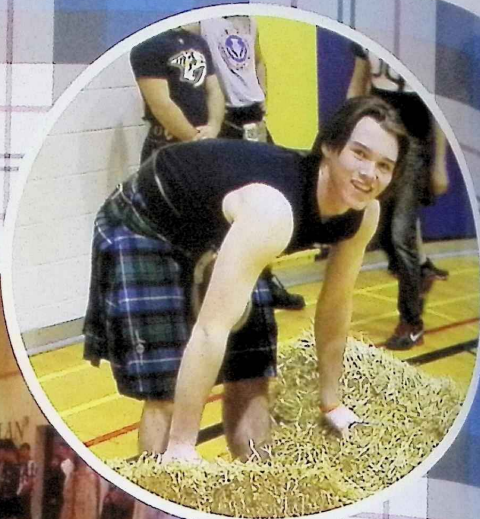

At 7:15 pm, everyone walked over to the arena to watch the game. Char-Lan Rebels were introduced and an official puck drop ceremony initiated the action. Students, staff and parents enjoyed an excellent match between the Char-Lan Jr. B Rebels and Casselman Vikings with the Vikings winning the game with a score of 3 to 2.

Moneys raised from our tickets and from the 'Chuck a Puck' were donated to the Williamstown Splashpad Project.

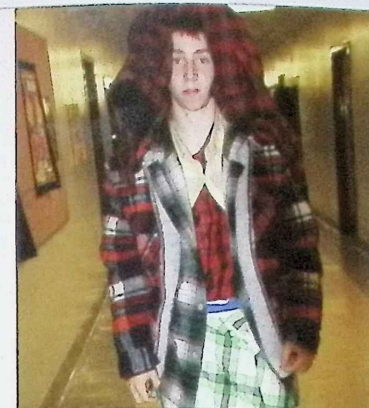

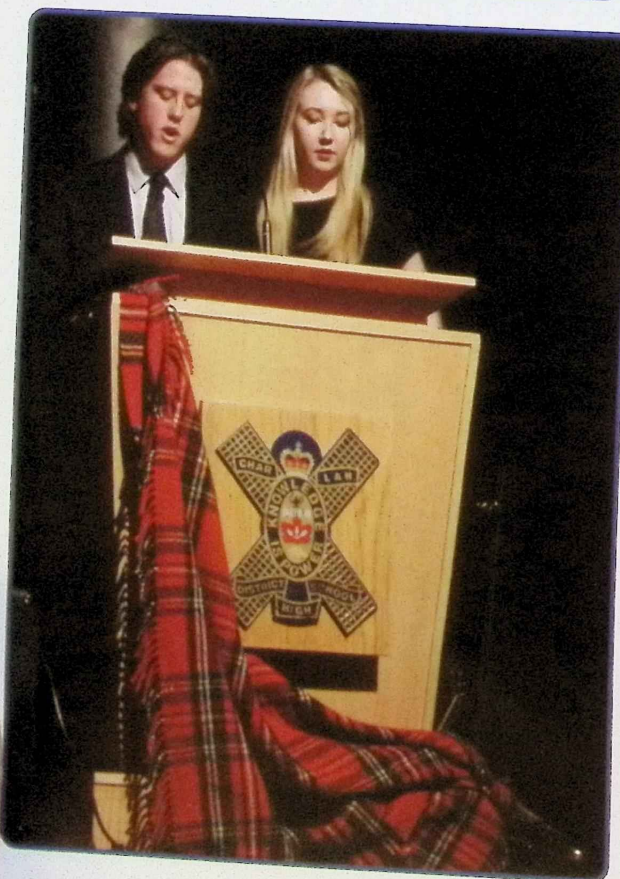

# St. Andrews Day

St. Andrew's Day is one of Char-Lan's most enjoyed celebrations. With many of our own staff and students deriving from a Scottish culture, we take great pride in highlighting all things Celtic on this day. We listened to the shrill pipes echoing through our halls & smelled the sweet aroma of a freshly baked sheep's stomach filled the air. We watched the perseverance of the students participating in tug of war, the farmers walk and pitch a wellie, all in a sportsman like manner. We also applauded many of our talented Crusaders!

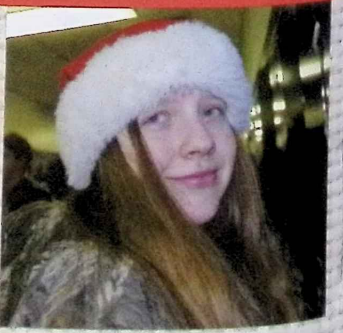

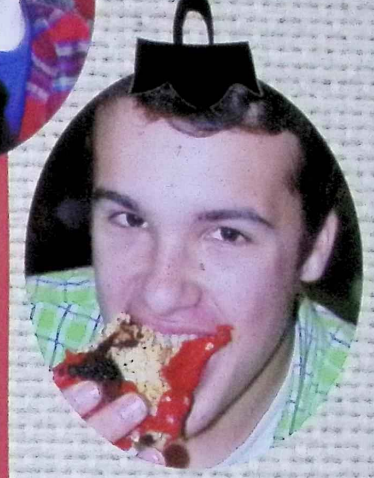

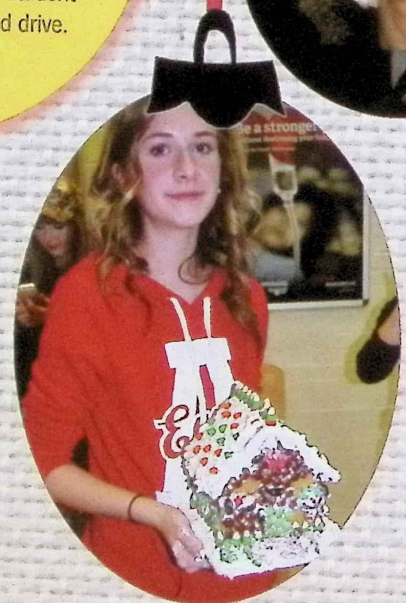

Whether you have a drop of Scottish blood or are a direct relative to the great Robbie Burns or William Wallace himself, this is a day that every Crusader remembers!

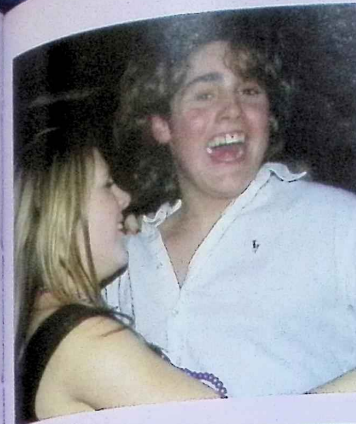

# Christmas Week

During the last week of December, there was a series of dress up days including red and green day, ugly Christmas sweater day, redneck day & Pj day. Student Council held a pancake breakfast while Prom committee auctioned off fancy cakes. In the spirit of the holidays, Student Council also organized a food drive.

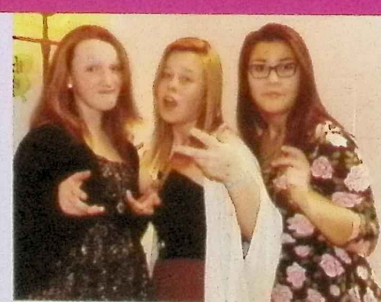

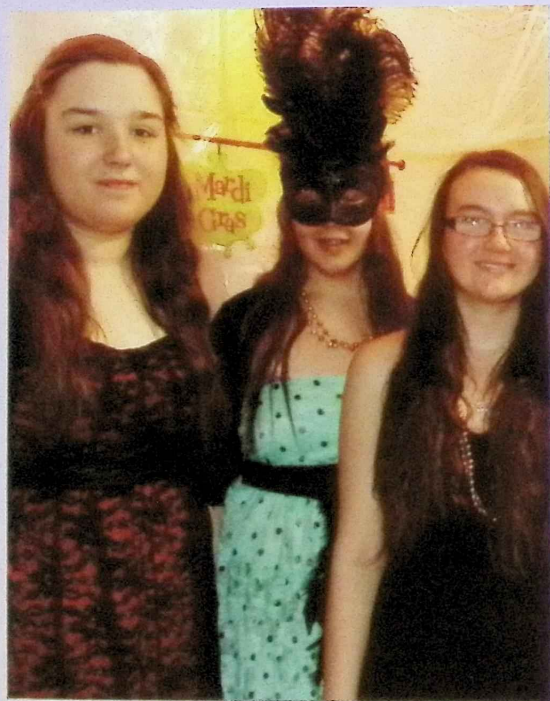

# 47 Semi-Formal DANCE

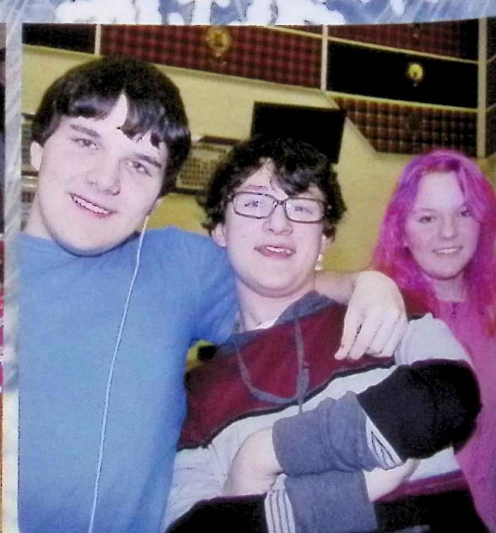

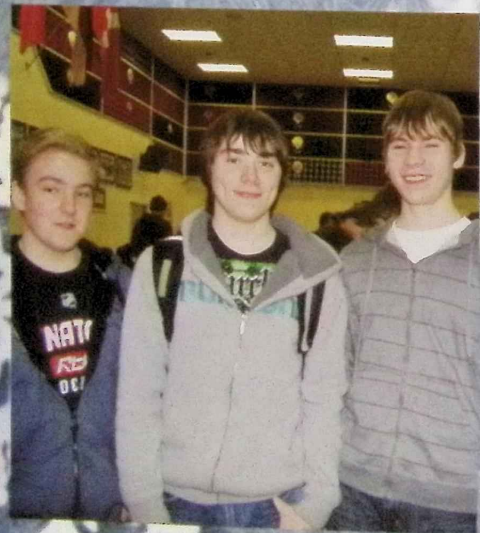

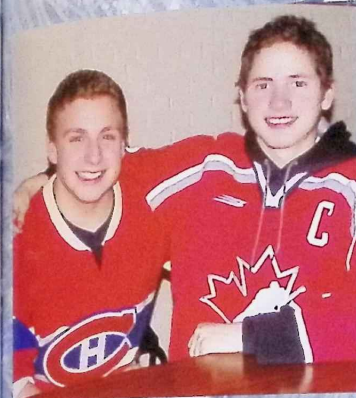

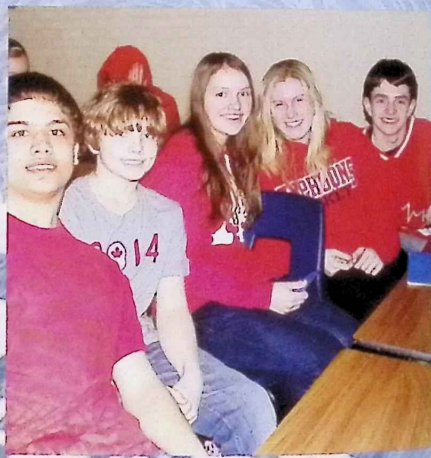

Semi-formal dance for high school and grade 8 students took place during carnival week. The theme was Mardi-Gras masquerade. Students were encouraged to wear masks and beads. Thanks to Jade Verkruijsen, a photo booth was set up where students got to ham it up in front of a camera. The grade 7 & 8s also held a Valentine dance but alas, no photos were taken.

# CARNIVAL

Student Council put on a carnival week in February. It all began on Tuesday with Twin Day and a Performance by Graham Greere followed on Wednesday with "Show your Team Canada" Spirit Day as the winter Olympics was taking place in Sochi, Russia and over lunch we had a live streaming of men's hockey Canada vs. Latvia Quarterfinals. Next on Thursday, was our Mardi Gras Masquerade Semi-Formal Dance for grades 8-12 and we topped it off with a Friday Outdoor Sports Day which was postponed to the following Friday due to a snow day (no school). Students had a choice of skating on the Rideau Canal or supporting the boys hockey team by cheering them on in their last game. All in all - a great Carnival week!

# CLUBS

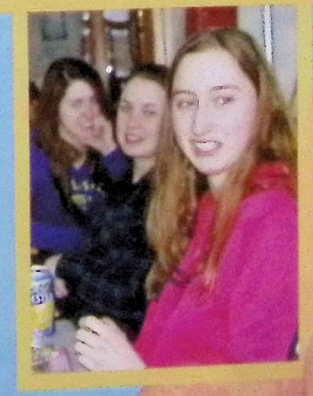

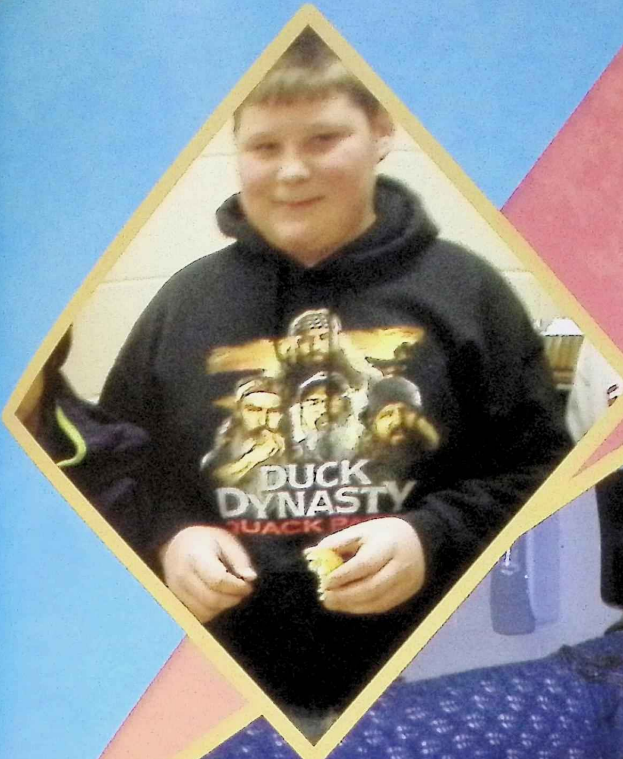

# Breakfast Club

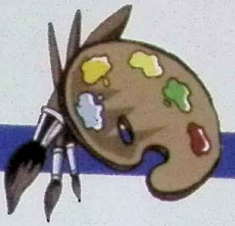

Thanks to the generosity of the **Healthy Eating for Better Learning (HEBL)** program, students were provided with a free breakfast every Wednesday morning. Approximately 60 students took advantage of this second year initiative. Under the guidance of Ms. Mason and Ms. Gordon, an assortment of fresh muffins, fruit, toast, pancakes, juice, milk and hot chocolate were offered.

As well fresh fruit donated by Leahy Orchards of Quebec (apples & apple sauce) and Alexandria IGA (variety of fruit at cost) was distributed daily to all classes by student helpers Ben & Brandon Lafave. Everyone involved is very thankful for the generous donations and success of the program.

# Envirothon

On Wednesday, September 25th, Envirothon students participated in the Great Canadian Shoreline Cleanup which is part of a global effort known as the International Coastal Cleanup. Students collected litter and completed data cards to classify the types of trash along our shoreline. Our group collected over 500 individual pieces of trash! This analyzation can help educate Canadians about the scale and consequence of global marine debris.

Envirothon allows students to learn about the environment and compete against other high schools on various topics such as soils, aquatics, wildlife, forestry and local sustainable agriculture. Students participated in three workshops and numerous guest speakers came to the school to share in their passion and knowledge.

This year, the Envirothon team also proudly adopted and now support a Bobcat family!

Special thanks to Mrs. Charpentier for her support and to the community who donated funds towards this program.

# Art Club

The art club met every Tuesday after school. Students tackled various art projects such as painting classroom doors and helping with stage sets for the drama club. They were given opportunities to try art forms not normally taught in class. A fundraiser comprising of creating and selling art for paint took place in December. The club allowed for like people to hang out and be creative.

Special thanks to Mrs. Birmingham for putting on this club. Everyone had a blast!

## Free the Children

Free the Children is an international charity and educational partner, working to empower and enable youth to be agents of change. Char-Lan's club has been busy creating awareness of poverty and local issues.

On Halloween many of our members collected non-perishable food items instead of candy for a local food bank. There were nearly 625 separate items brought to support local families! Our Free the Children group is currently supporting Rural China, which is often one of the most commonly disregarded places supported by Free the Children. We chose it for exactly that reason! We have sent nearly 500 dollars just in donations to the cause.

Free the Children also got to attend "We Day", which is a big inspirational concert with many famous guests. It is meant to uplift youth to continue to help others. You don't simply receive these tickets, you have to earn them and we really believe that we have!

OSAID in Char-Lan is a club designed to keep all of our students safe from impaired driving. Throughout the year, we had different organizations present new and different presentations to the whole school. We even had MADD Canada give a multimedia presentation.

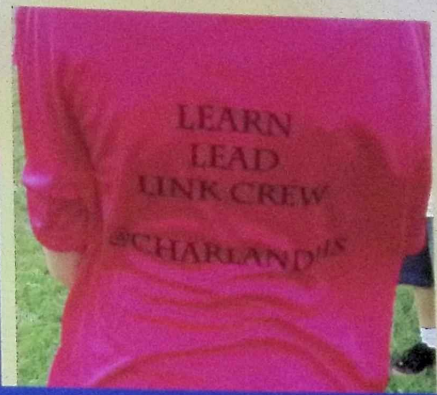

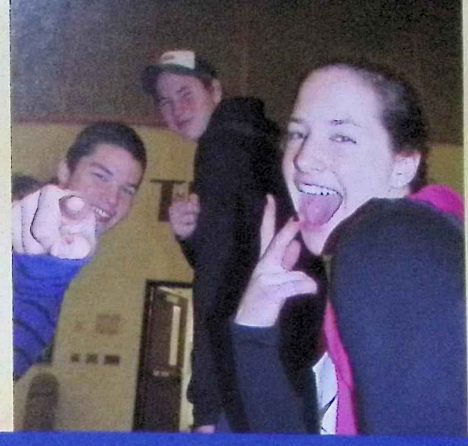

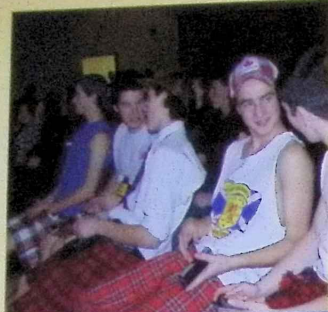

When we have these presentations, we usually have an activity day with them as well. This year, we did Day of the Living Dead. This day displayed the harsh reality of a consequence that could occur due to impaired driving.

OSAID is one of the more important groups in our school but one of the least popular groups as well. We try every year to get our message across to students in original and fun ways.

Annually, we sell our famous OSAID Kapow lollipops! This year, we sold the pink and white flavours for Valentine's Day candy grams.

We are all proud to be an OSAID member!

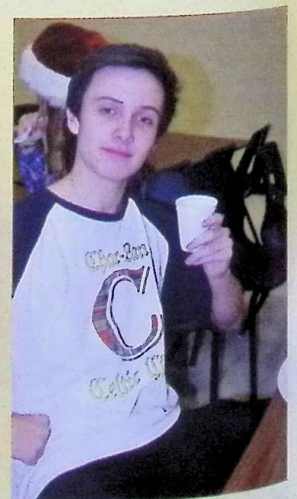

# CELTIC Club

Celtic Club is dedicated to celebrating and recognizing our vast Scottish heritage residing at Char-Lan. Even if you are not Scottish you can still participate and are welcomed with a plate of warm haggis into the club. Collectively, we put on St. Andrews Day which is a big day celebrated at our school with a celtic concert performed by students and staff. The shrill sound of the bag pipes ringing through the halls and of course, Celtic games are played in the gym. The wee lassies and wee lads were involved in numerous other events under the guidance of Mrs. MacMillan.

Link Leaders were students helping students succeed in social and academic areas.

# BASKETBALL TEAMS

Congratulations!!!

Our intermediate girls played in a competitive tournament, which took place at G.D. They came first, moving on to the next tournament, Family of Schools.

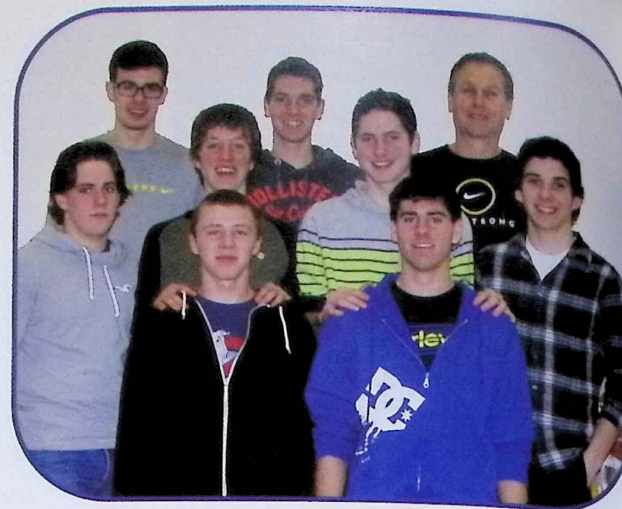

At the Family of Schools tournament, which was also held at G.D on March 20th, they played four games and came out on top, winning them all.

The next tournament will take place on March 28th (after press time) for the Upper Canada Cup. This is where all the winners in the Upper Canada District School Board play against each other to determine the grand winner.

# HOCKEY TEAMS

The Char-Lan boys hockey team played against the OPP on Friday, February 28th. For the first time ever, Char-Lan Crusaders beat a group of old timers – the score was 7-4. It was a fundraiser for The Stephanie Grady Fund. She was a teacher at Char-Lan last fall and is now very sick with a rare form of cancer. Money is needed for a special cutting edge treatment in the US. We raised \$250 through donations and chuck-a-puck. The OPP team consisted of cops, firefighters, Mr. Wheeler, Mr. Carriere and student teacher Grant MacNeil was the goal keeper.

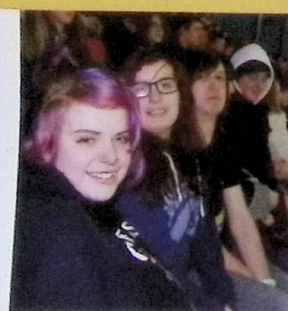

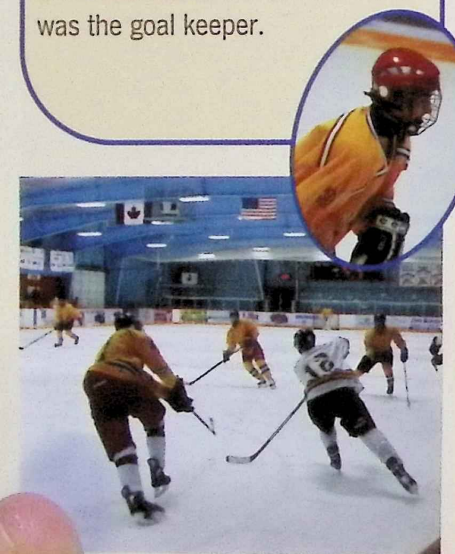

**GUYS:** Front row: Keegan Mulheran, Eric Lamarche, Jasper Leroux, Brennan McKenzie, Jeremy Macfarlen **Back row:** Aodin MacDonell, Jake MacDougall, Michael Moffatt, Keillian MacCulloch, Mikey Small, Tyler Akins, Gill McDonell, Brett Lapointe, Brendan Vipond, Liam Vipond and Sebastien Dirven **Missing:** Reed Payette, Sam MacDougall and Coaches Mr. O'Farrell and Mr. McDonell.

## MISSED TEAMS:

Due to time of publishing (mid March), we regret that we could not include all sport teams. Char-Lan does participate in the following sports in April, May & June:

**High school level:** badminton, soccer, track & field  
**Intermediate level:** soccer, track & field and ultimate frisbee.

Char-Lan registered three teams to compete in the S,D & G Athletic Conference Curling Championships. This year, they were held at the Cornwall Curling Center in Cornwall on Feb. 18th. We have strong contenders in all play downs including Blake O'Connor's Mixed Rink, Tosha Burns' Girls Rink and Michael Moffatt's Boys Rink.

The mixed rink of Blake O'Connor, Shayla Seguin, Thomas Small and Zoe Bougie placed first and went off to EOSSAA. They won gold in that bonspiel. Unfortunately there is no Ontario or OFSAA bonspiel in the mixed rink division and so our team can be proud for their crowning season. Way to go Crusaders!
