## Principal's Message

What a great year!

As a Glengarrarian, it has been an honour and a delight to have been the principal of Char-Lan District High School. The students, staff and the local community have created a high performing, spirited rural high school that all can be proud of.

The amazing Char-Lan families have continued to successfully support many charity fundraising initiatives this year- Terry Fox, Purple Pinkies for Polio, Champions for Kids, The United Way and many other deserving organizations.

The athletes of Char-Lan DHS challenged their competitors by playing with pride, integrity, respect and passion. The clubs this year were engaging and purposeful. Thank you to the Interact Club and Ontario Students Against Impaired Driving (OSAID) for broadening our awareness to important social issues. Thank you to the Green Team for making the school an inviting place to be with their initiatives - the flower urns at the doorways, the growing wall, and the vegetable garden - to name only a few. Thank you to the Yearbook Team who spent countless hours creating this beautiful book of memories that we will cherish for a lifetime. Thank you to the Agriculture and Health & Wellness SHSMs for providing students with valuable knowledge, skills and certifications which will serve the students well when they move into the workplace. And thank you to both Student Councils as they planned so many great events for the whole school to enjoy!

As I retire from education, I wish to thank the staff and the parents who have supported the students and myself over these years.

May the journey for ALL Crusaders continue to be challenging, fulfilling and courageous.

*"It is precisely the possibility of fulfilling a dream that makes life interesting."*  
Paulo Coelho

Sincerely,  
Cathy Cooper

## Vice-Principal's Message

It is with extreme pleasure that I address the students, staff and community of Char-Lan District High School. I do hope that all of you will cherish the memories that are captured in this yearbook for many years to come.

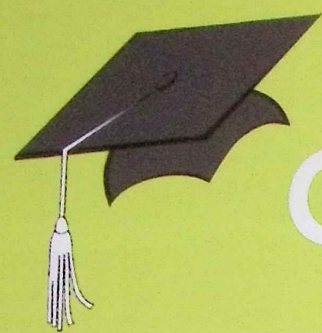

Each year this memento is the product of much effort on the part of a small number of students and staff - I sincerely thank you. All of us in some future time and place will open this book and remember the friendships, relationships and experiences that are now so much a part of our lives. In essence, this yearbook reflects a snapshot of our time spent at Char-Lan. We have experienced another great year of memorable activities - the Terry Fox Run, Remembrance Day, Air Bands, sporting events, spirit days, dances -- the list goes on and on.

To our returning students, I urge you to continue to explore new learning opportunities both within the classroom and through extra-curricular activities - get involved! This is your school and these are your memories! To all of our graduates, I sincerely congratulate you and wish you good health, happiness and success in your journey beyond high school. And this year, I leave you with a quote from Steve Jobs:

*"Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma - which is living with the results of other people's thinking. Don't let the noise of other's opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary."*

Sincerely,  
Donna MacGillis

# Saint Andrew's Day 2017

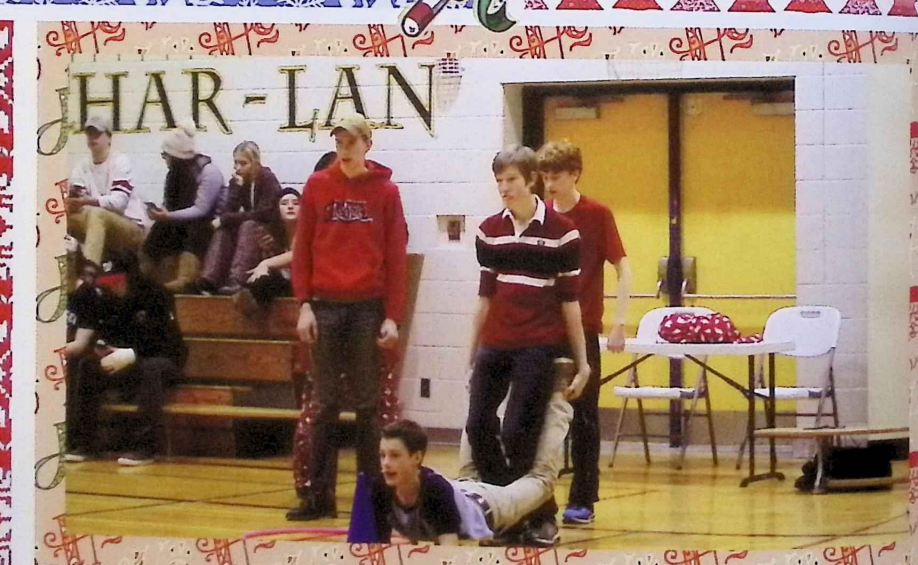

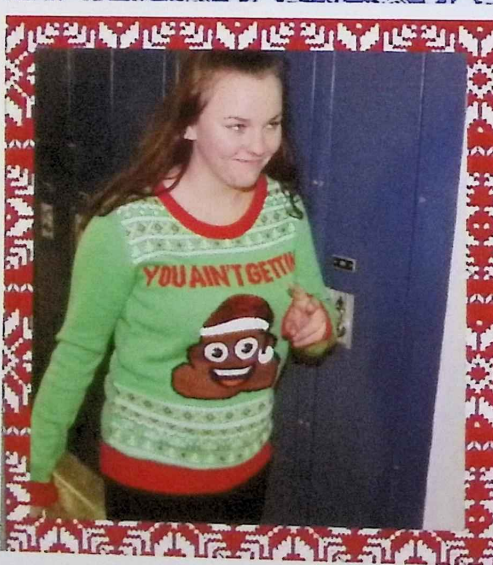

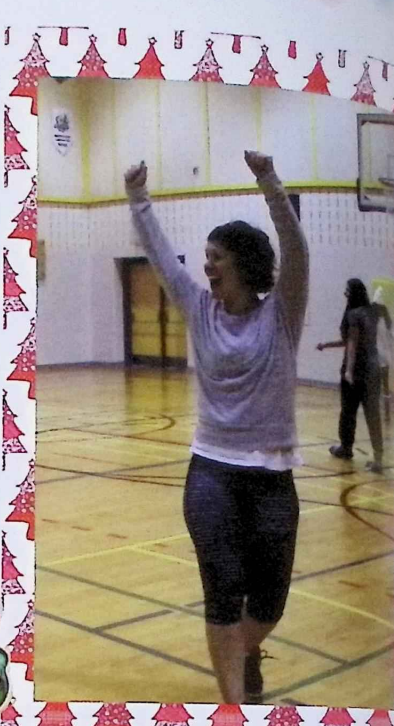

St. Andrew's Day is celebrated every year at Char-Lan on November 30th, to remember St Andrew, who is an important part of our Scottish heritage. Students participated in activities all day, such as tug of war, pitch a wellie, farmers walk, and much more! The Crusaders showed a lot of school spirit.

Char-Lan celebrated Christmas 2017 with over a week of dress up days! Between Friday, December 15 and Friday, December 22, Crusaders sported: ugly Christmas sweaters, hockey jerseys, red and green clothing, Santa hats and pajamas. On Friday, December 22, students spent the last day of school playing fun activities in the gym, watching a movie and competing in trivia games. Christmas was a fun time at Char-Lan this year!

As Student Council leaders we have worked hard this year to organize fun events for students. We all enjoyed seeing Ashley McLeod and Neil Emberg on St. Andrew's Day again for some two-stepping. At Christmas-time, our Battle of the Sexes competition was a new hit. Our goal never changes; we work to maximize student participation and school spirit. Go Crusaders!

He was also a Crusader and loved attending Char-Lan. His parents, Jim and Claudette, wanted to do something to honour Jimmy's memory, and this game was born.
