This year we had brand new lockers installed. The grade 12 biology class gained some new pets, and the grade 10 civics class held their own election! Our sports teams played very well. Some students held a barbeque in the parking lot! Char-Lan had a great 2018-19 school year!

Principal's Message

As my first full year as principal draws to a close, I cannot help but reflect on the amazing opportunities the students and staff provide for each other here at Char-Lan. I am truly amazed at the commitment and dedication of the students, staff and parents in making Char-Lan one of the best secondary schools our province has to offer. Char-Lan is a school with great energy and enthusiasm. The staff and community are committed to preparing students whom are well prepared for the various life experiences that lie ahead. I would like to take this opportunity to congratulate the 2019 Graduating class on a successful secondary school career. I wish them all the best in their next challenge, whether it be in the world of work or post-secondary education. The memories they have as they depart will be with them for a lifetime.

As you flip through the pages of this book looking at the pictures and reading the scripts I hope you are filled with the same warmth and sense of pride that I get every time I look at one of my old year books. Enjoy the memories!!!

Sincerely,
Chad Brownlee
Principal

Vice Principal's Message

This yearbook is the product of a tremendous amount of time and effort on the part of a small number of students and staff -- thank you. Our high school years are a significant part of our journey through life as we establish and build friendships that we will cherish for many years. We interact with our peers each day in our classes and gain knowledge that we will use for years to come. All of us, at some point in the future, will open this publication and remember the friendships, relationships, ideas, leadership and experiential learning opportunities and events that are now so much a part of our lives. In essence, this book reflects a snapshot of our time spent here at Char-Lan.

To our returning students, I urge you to explore new learning opportunities both within the classroom and through extra-curricular activities -- get involved! This is your school and these are your memories! To all our graduates of 2019, I wish you good health and much success in your future endeavours, and I leave you with a quote from Ralph Waldo Emerson on his definition of success:

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and to endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition. To know even one life has breathed easier because you have lived. This is to have succeeded.

Carpe Diem!

During the second semester, Char-Lan students were divided into four teams, called clans. The four clans were Dundee (blue), Edinburgh (yellow), Aberdeen (red), and Glasgow (green). The clans competed for points during school competitions, and participation during spirit days earned extra points.

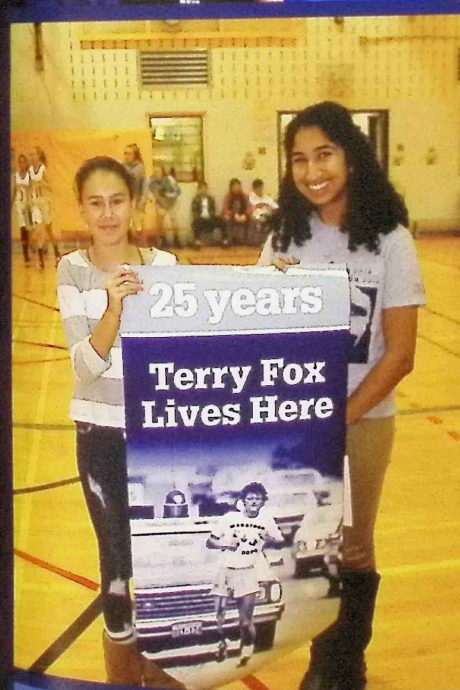

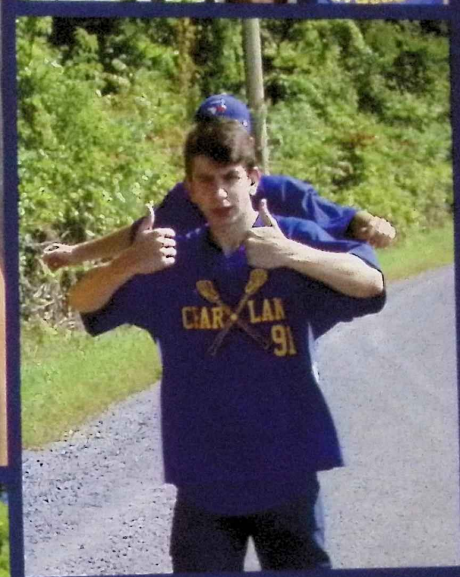

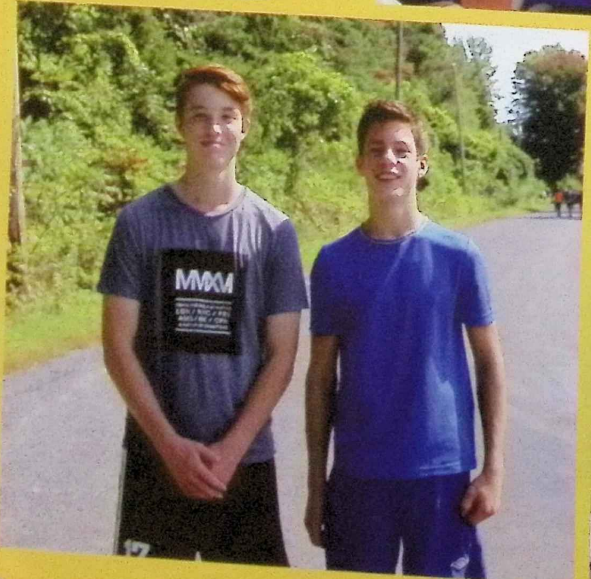

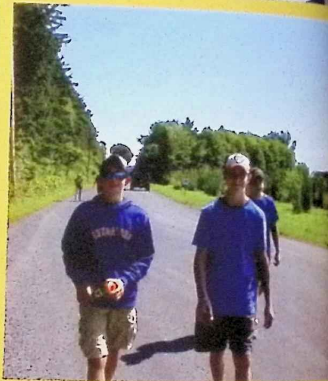

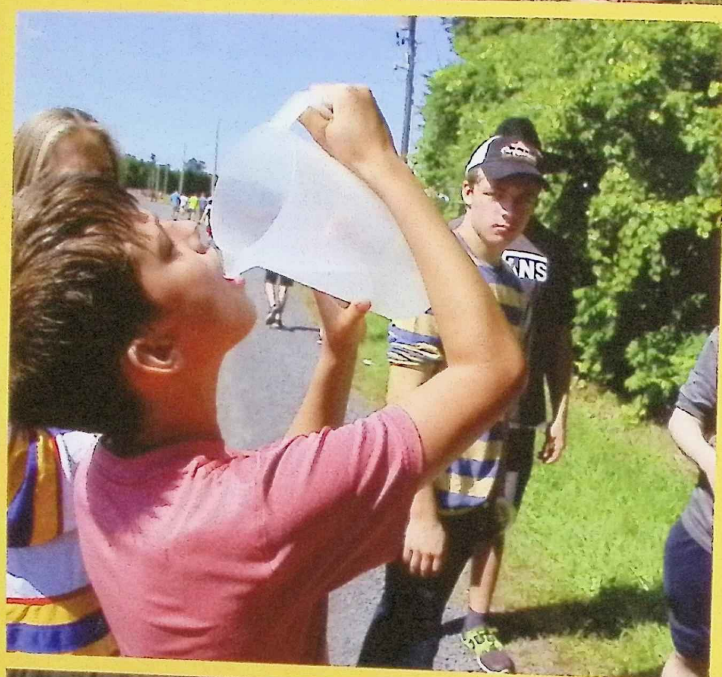

GO TEAM

Terry Fox Run

On September 13th, 2018 Char-Lan held their annual Terry Fox Run.

The students collectively raised \$3700! Students participated in a run and activities in the afternoon to remember Terry Fox. GO CRUSADERS!

Coloured Shirt Days

This year, Char-Lan had many coloured shirt days. Two of these were orange shirt day, for awareness of residential schools, and pink shirt day, for anti-bullying.

Air Bands

Every year at Char-Lan, the students host an air band tournament to celebrate Halloween.

Remembrance Day

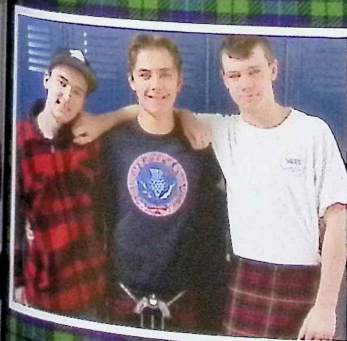

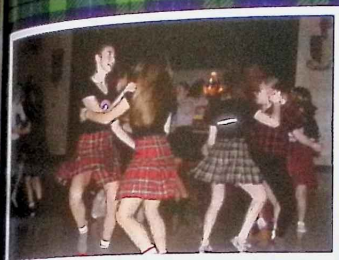

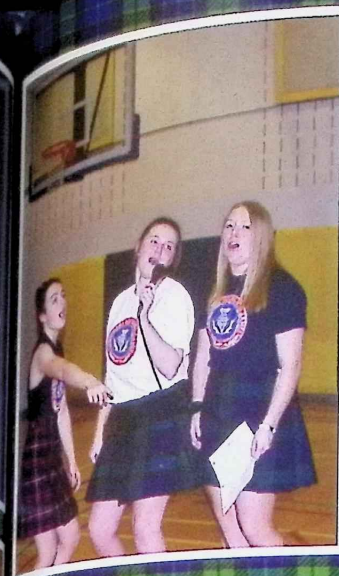

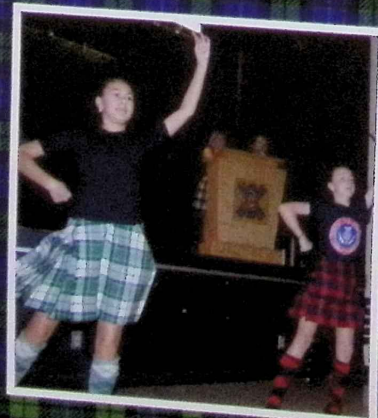

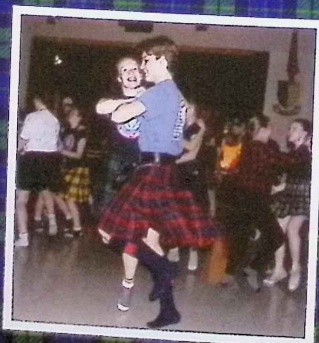

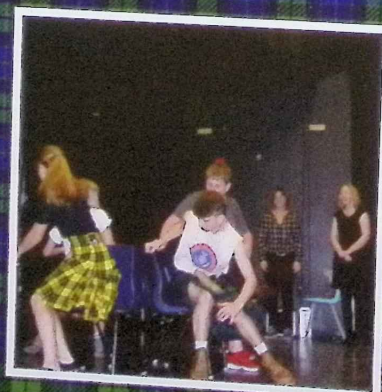

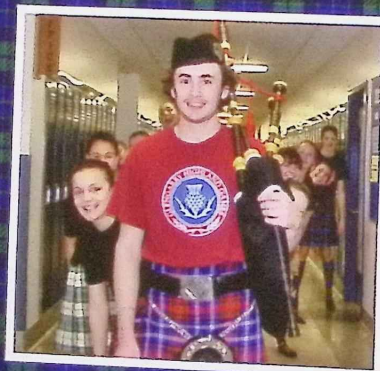

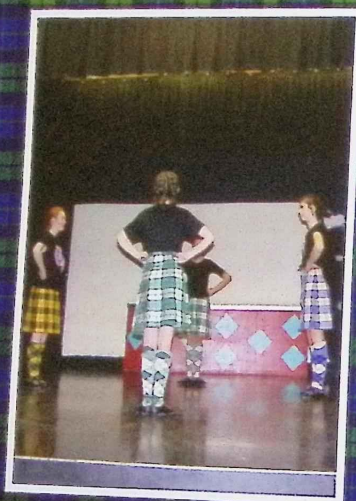

Remembering the soldiers that fought for our country is very important to Char-Lan. The Crusaders held a Remembrance Day ceremony on November 9th to remember the people who died fighting for our freedom. Students and teachers from Williamstown Public School, along with parents and community members, came to recognize the fallen soldiers as well.

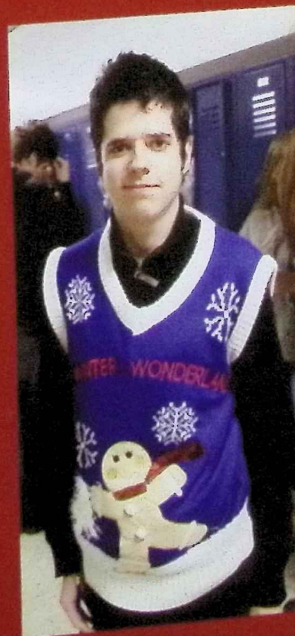

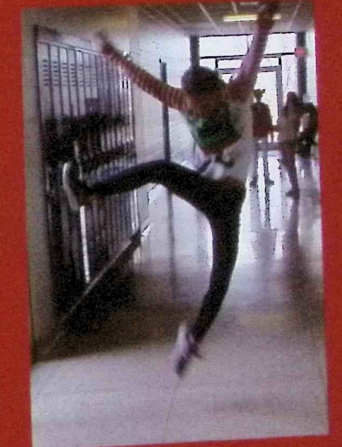

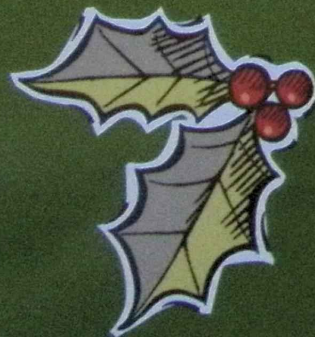

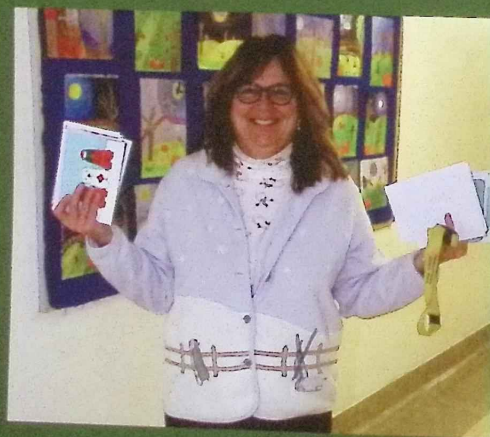

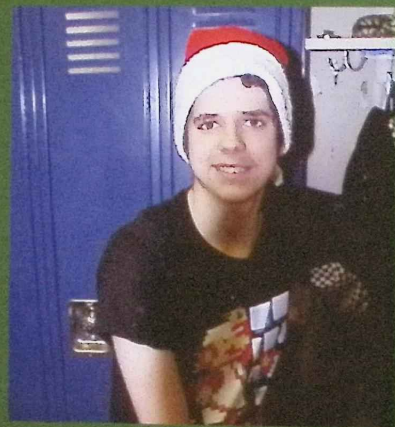

54 St. Andrew's Day

The Char-Lan Crusaders participated in many activities on November 30th to celebrate St. Andrew's Day. This annual tradition is a big part of the heritage at Char-Lan. Students had a dance, a concert, and an activity period revolving around this special day for South Glengarry.

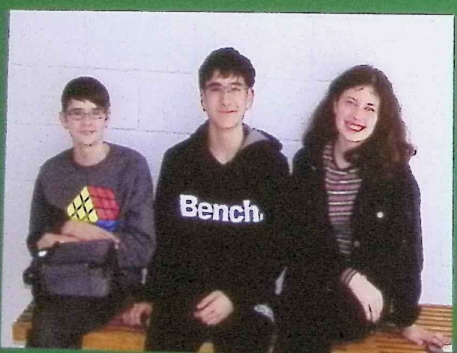

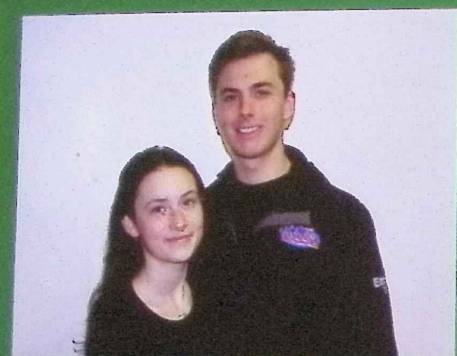

HAPPY HOLIDAYS

This holiday season, the Char-Lan Crusaders celebrated with games, activities, and dancing. The week leading up to Christmas, the students participated in ugly sweater day, Santa hat day, a grade 7/8 dance, and decorate yourself day. The Crusaders were lucky enough to have a long break, starting with a snow day on the Friday! Char-Lan celebrated a very Merry Christmas.

Friendly Faces

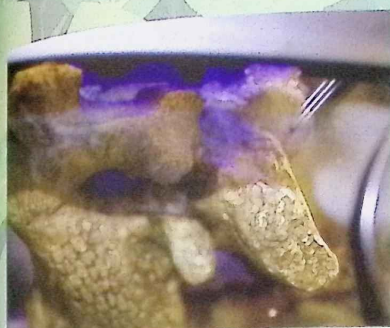

Best Friends

the Zoo

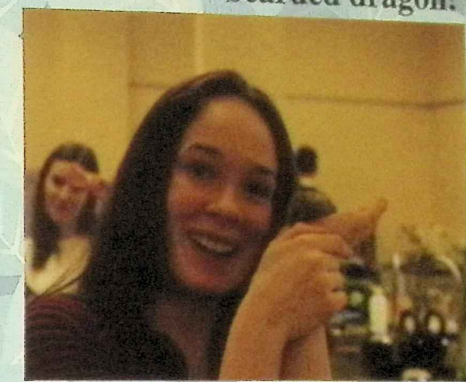

During the second semester, Mr. O'Farrell's grade 12 biology class made room for some new pets! There were two hamsters, a fish and a moss ball, and a bearded dragon!

LINK Crew

LINK Crew is a group of senior students who take on leadership roles and organize activities for younger grades. LINK Leaders develop comfort with learning and growing in high school, as well as building Gr. 9s confidence by forming powerful peer relationships. The LINK Leaders had a lot of fun with the grade 9s this year!

International Students

Dear friends, teachers and school staff,
these almost three months have flown away very quickly for me, so fast that I can barely realize it. I think that it goes like this when somebody has the chance to spend some time among such good ^{people} persons as you are. I want to thank all of you: since my first day here I felt warmly welcomed, and from the very first time that I stepped in the school till now the acts of kindness, friendship and patience towards me are uncountable. I have found a great, small community, and I have been really lucky in this, my experience couldn't have been better. I felt also honored and happy to represent Char-Lan in the volleyball team, to be part of the Crusaders, to share with you joy for victories but also bitterness for defeats, when they occurred. I have found many good friends, very willing, nice teachers, secretaries and all the school personnel. I have learnt a lot thanks to you. I have known an incredible, wide new country as Canada is as well as its culture. Very unfortunately I have to go back to Italy so soon, but I can guarantee you this: I will never forget you. Part of my heart will be always to Char-Lan and you.

With the hope to meet you again

Riccardo

In Loving Memory of Billy Dennison

"You were a brother from
another mother, I will never
forget you. I love you, Bill."
-Austin McGillivary

"There are some who
bring a light so bright into
the world, that even when
they are gone the light
remains."
-Gillian Corbet

"We will take time to remember you,
All the good times, not the sad.
The jokes you told, the pranks you pulled,
You made school seem not so bad.
We saw your outward smile,
But not your inner pain,
We never really dreamt that you
would never smile again."
-Kev O'Farrell
