## Principal's Message

Well, wasn't that an interesting school year. As I reflect on what the 2019-2020 school year presented us, it would be difficult for me to find a more challenging and yet rewarding school year in my 25-year career. As I have stated in previous addresses, the commitment and dedication of the students, staff, parents and Char-Lan community is second to none and it has never been more evident than this year. Together, we have navigated the loss of classmates, staff and community members, job-action with strike days and an extended school closure as the result of a world-wide pandemic that we have never seen the likes of before, and hopefully never will again. The most effective way for students and the larger school community to transcend these barriers is by leaning on and tapping into the strengths each of you possess and celebrating the successes you have experienced along the way.

While 2019-2020 has presented several challenges it has also provided more than its fair share of successes; beginning with Mrs. Grant receiving a Director's Award of Merit and the Char-Lan Green Team being recognized with a Trustee's Innovation Award, the more than \$4000 that was raised for the Terry Fox Fund, the Gold and Bronze Medals won at the SKILZ Competition or the various, college, university, trades and job opportunities this year's graduates have been offered and will head off to next year, our Char-Lan Crusaders succeed even in complex times.

While this year did not end the way many of you had anticipated and hoped, you have adjusted to the challenge of isolation from friends and the cancellation of your beloved extra-curricular events both in school and beyond and made the best of a challenging situation. Please know that you will be able to draw on this crazy experience as you navigate your life's journey.

As you flip through the pages of this book looking at the pictures and reading the scripts, I hope you are filled with the same warmth and sense of pride that I get every time I look at one of my old year books. Enjoy the memories!!!

Sincerely,  
Chad Brownlee

## Vice-Principal's Message

Each year, our yearbook is the product of much effort on the part of a small number of students and staff - I sincerely thank you. All of us in some future time and place will open this book and remember the friendships, relationships and experiences that are now so much a part of our lives. In essence, this memento reflects a snapshot of our time spent at Char-Lan. We have experienced another great year of memorable activities - the Terry Fox Run, Take Your Tractor to School Day, Remembrance Day, sporting events, Clan activities, dances - the list goes on and on.

We have also experienced an unprecedented situation that we will remember forever -- COVID-19. As a school community we have come together to support one another during this difficult time. We are strongest together.

To our returning students, I urge you to continue to explore new learning opportunities both within the classroom and through extra-curricular activities - get involved! This is your school, and these are your memories! To our graduates, I sincerely congratulate you and wish you good health, happiness and success in your journey beyond high school. And this year, I leave you with a quote from Steve Jobs:

"Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma - which is living with the results of other people's thinking. Don't let the noise of other's opinions drown out your own inner voice. And most important, have the courage to follow your heart and intuition. They somehow already know what you truly want to become. Everything else is secondary."

Sincerely,  
Donna MacGillis

# Activities

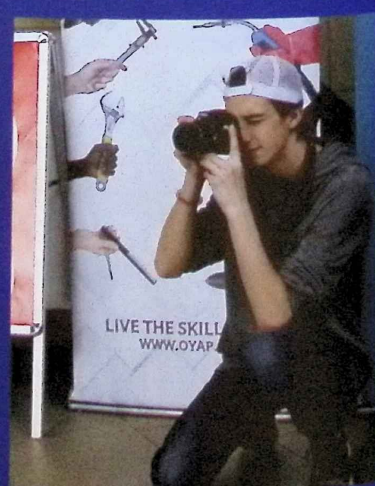

Year round, the Char-Lan Crusaders love to party and get festive with activities. With school spirit from Cristmas to St. Andrews Day, the Crusaders do not rest with so many things to celebrate!

# Skillz Competition

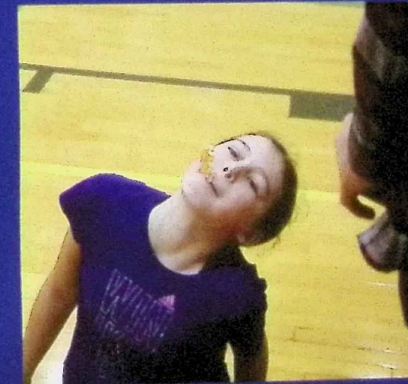

# Clan Wars

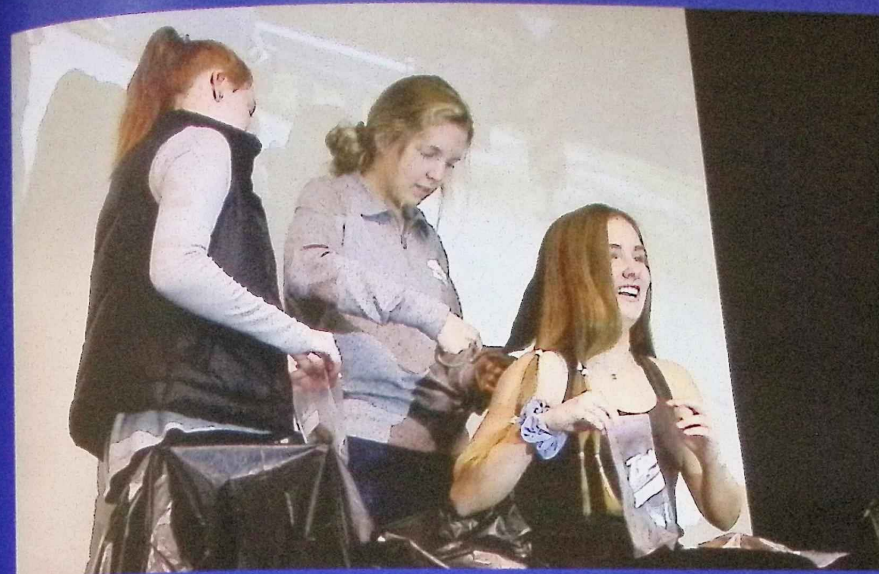

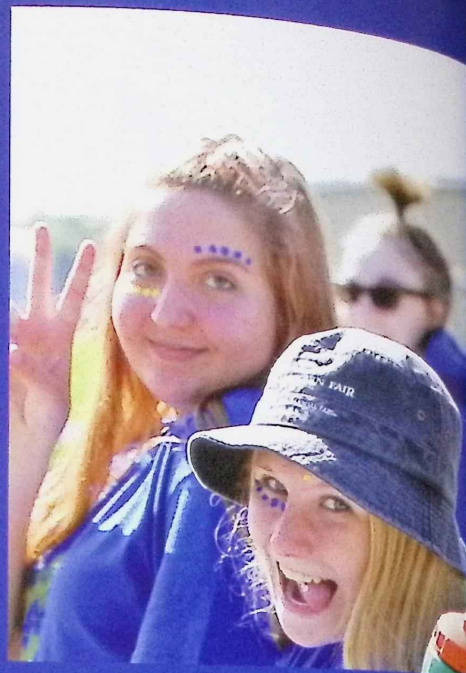

- Aberdeen
- Edinburgh
- Glasgow
- Dundee

This year, the Char-Lan Crusaders were divided into four clans to participate in activities. Every month, students would gather in the gym to battle their opponents. The student council organized several games and activities to gain school spirit. Clans are awarded points by winning activities, wearing clan colours, and through everyday activities.

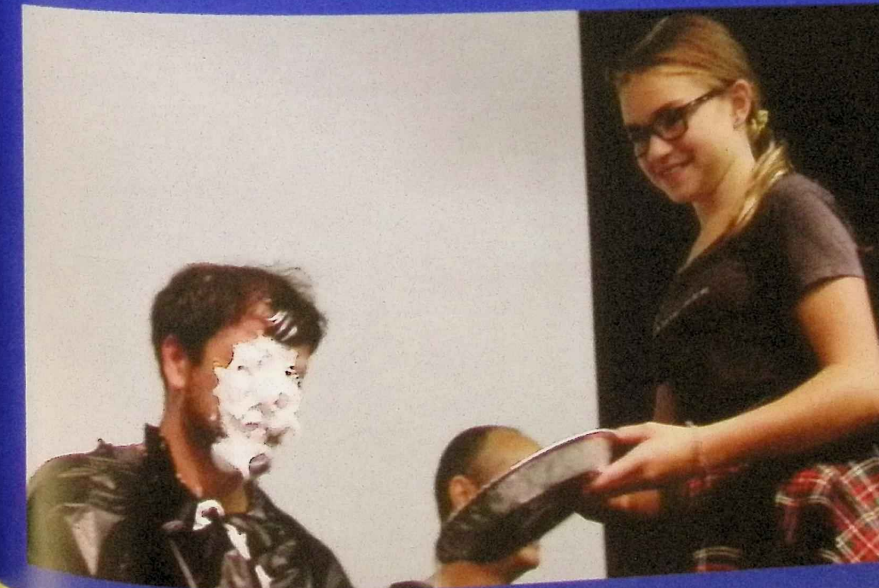

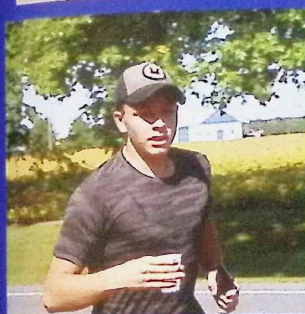

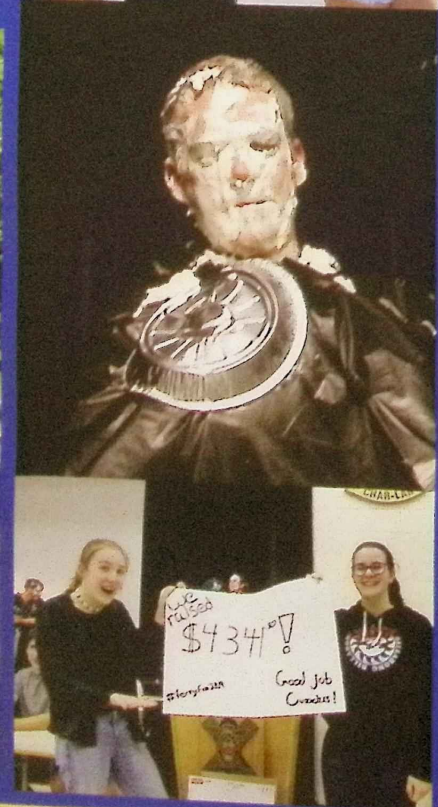

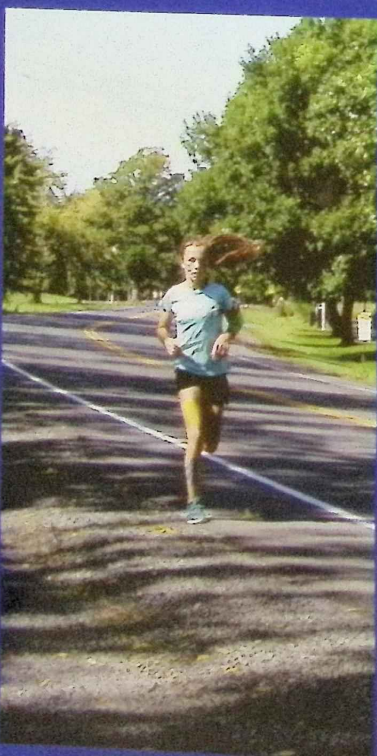

Every year, the Char-Lan Crusaders raise money and walk to support the Canadian hero, Terry Fox. The students showed their school spirit by wearing blue and gold and participating in activities such as the anual hair cutting and a BBQ. The student who raised the most money per class was able to smash a pie in their teacher's face! The Crusaders had lots of fun.

# Bring Your Tractor to School Day

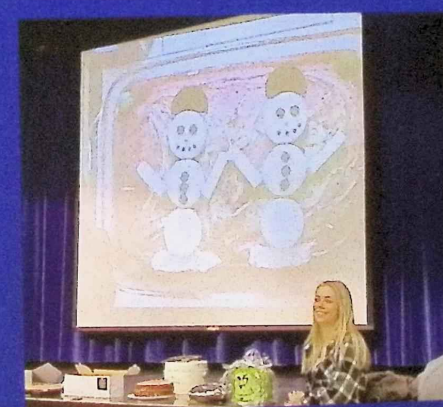

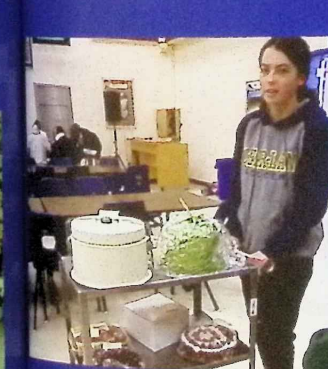

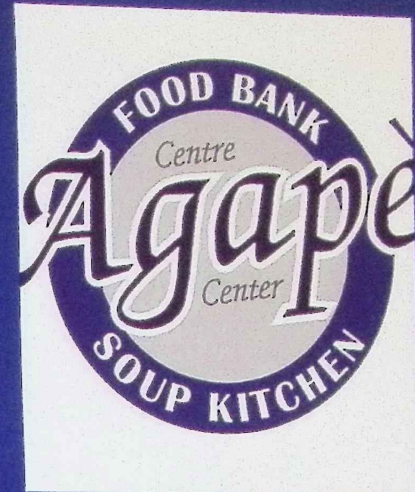

Char-Lan Crusaders showed their small town school spirit by bringing their tractors to school on October 26th.

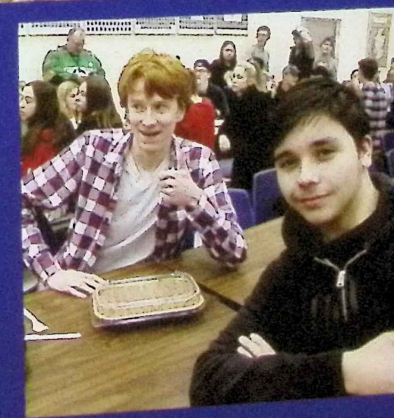

Students and community members gathered at the school to share breakfast and yoga together surrounded by their tractors. This event was to promote the school's Health and Wellness and Ag SHSMs.

# Cake Auction

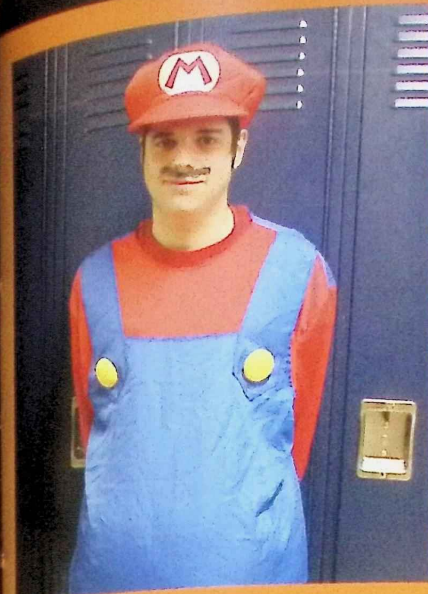

Char-Lan's Interact Club hosted a cake auction to raise money for Agape. The students were able to purchase cakes made by community members, students, and staff members. The Crusaders raised \$380.00 for Agape. Way to go Crusaders!

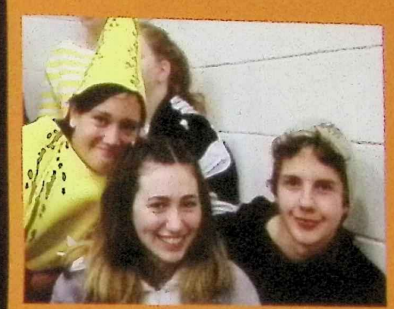

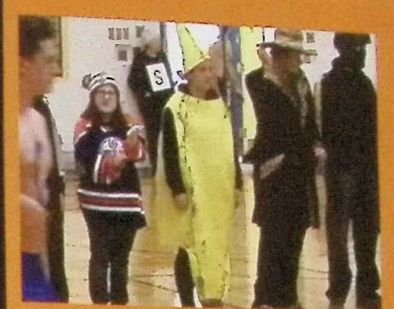

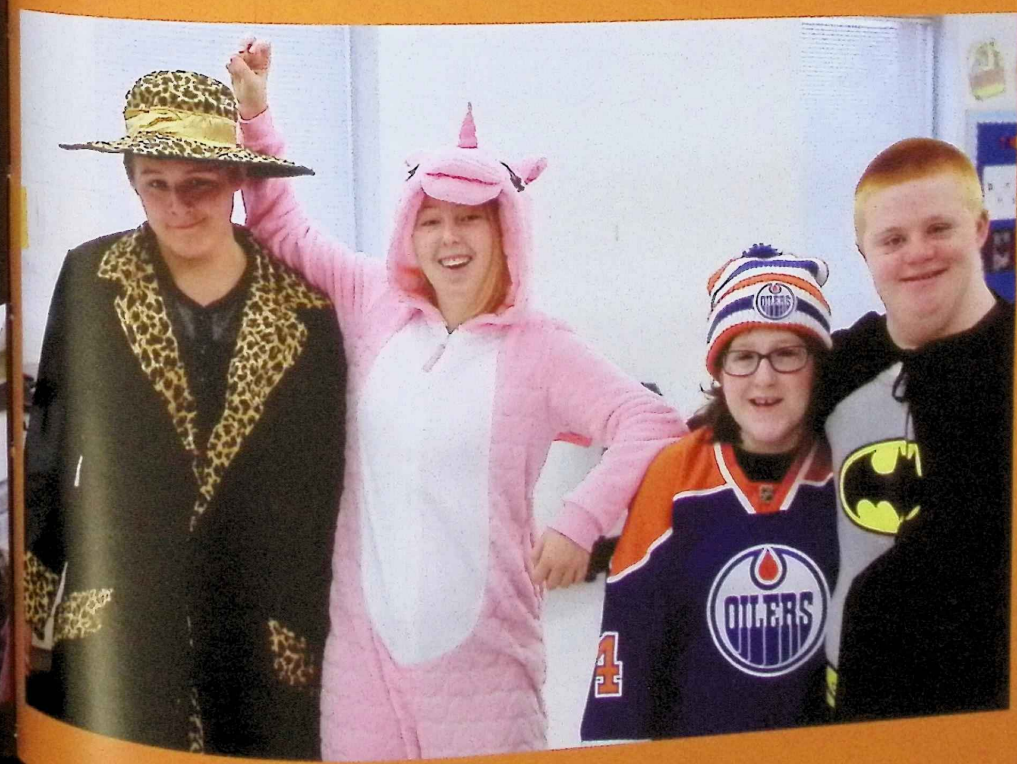

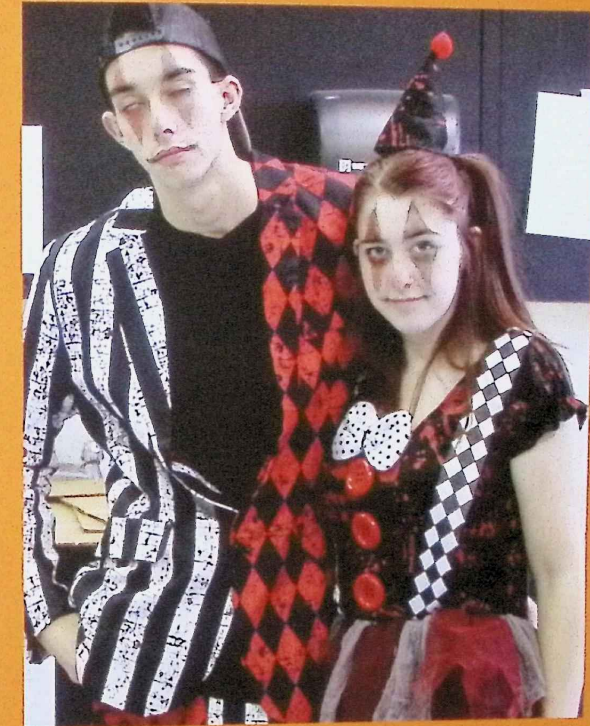

# Halloween

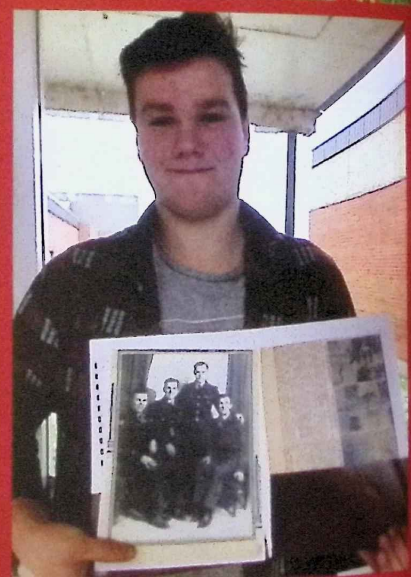

On October 31st, students at Char-Lan celebrated Halloween by wearing costumes. The staff at Char-Lan collaborated together to create a secret phrase for the students to solve.

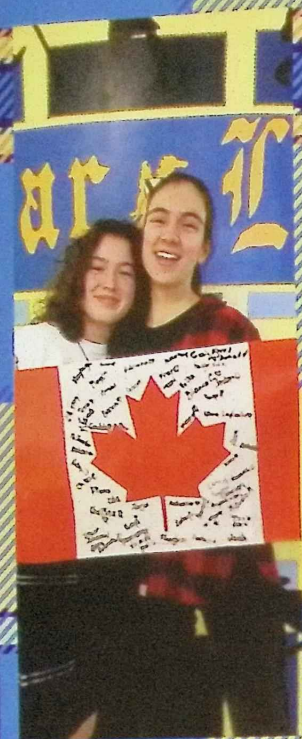

# Remembrance Day

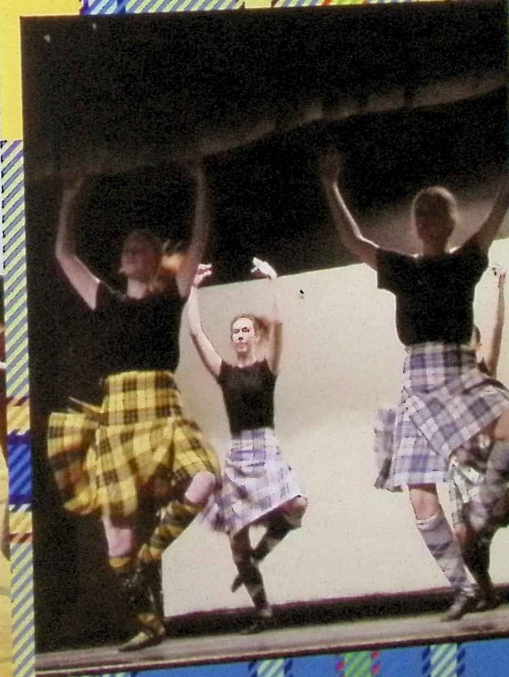

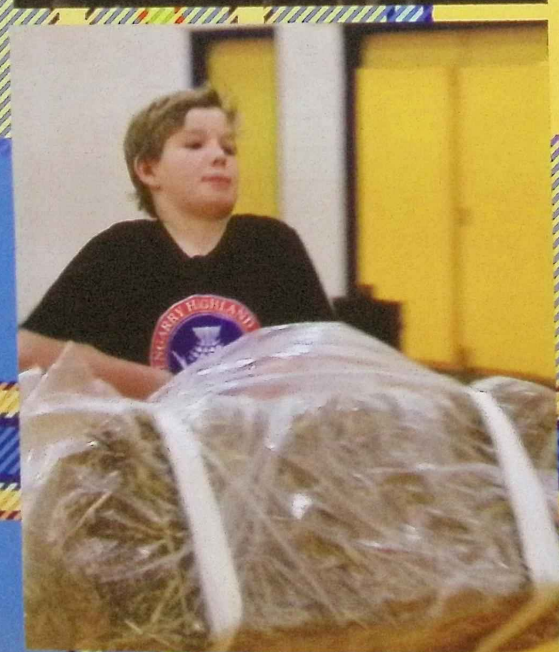

On November 11th Char-Lan commemorated the veterans through a Remembrance Day ceremony. This Remembrance Day marked the 75th anniversary of D-Day and the Battle of Normandy. To pay tribute to the Canadian soldiers that liberated Netherlands, the Netherlands donated 75 tulips which were planted in front of our school.

# St. Andrews Day

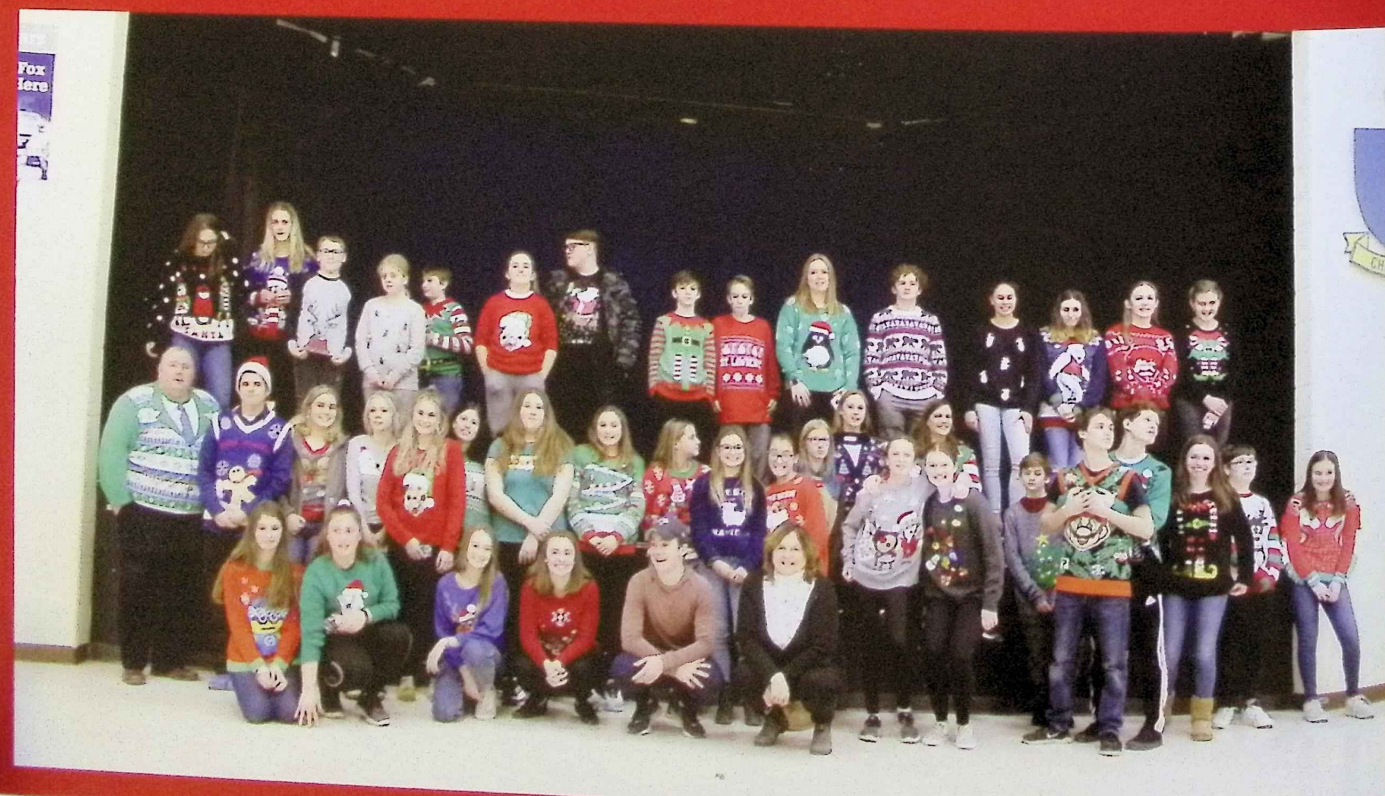

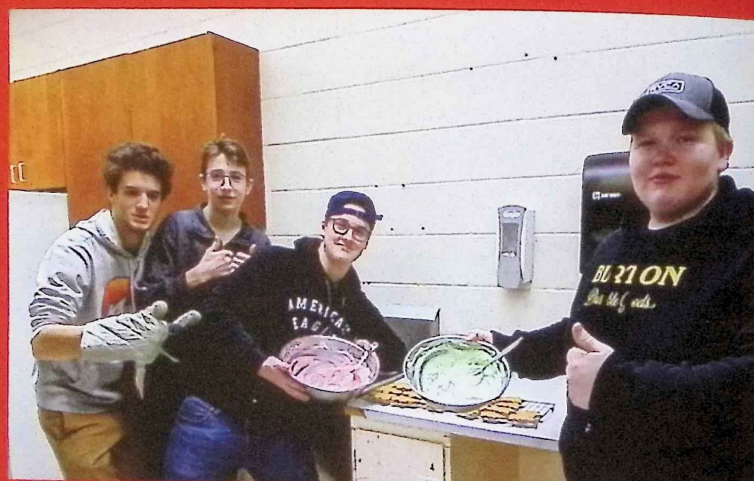

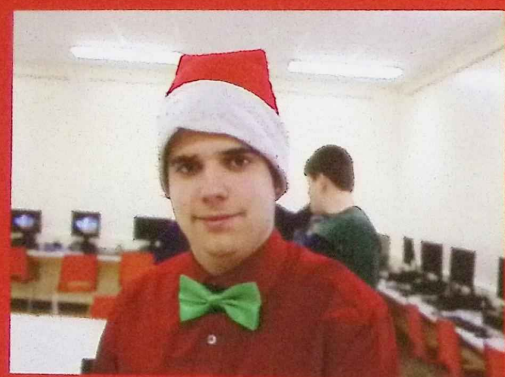

On October 22nd, Char-Lan celebrated St. Andrews Day. The students participated in a tartan parade, a celtic concert, and fun activities such as tug-of-war and a welly chuck. Also, the high school students had a two-stepping dance to celebrate their celtic roots! The Char-Lan Crusaders love St. Andrews Day.

# Christmas 2019

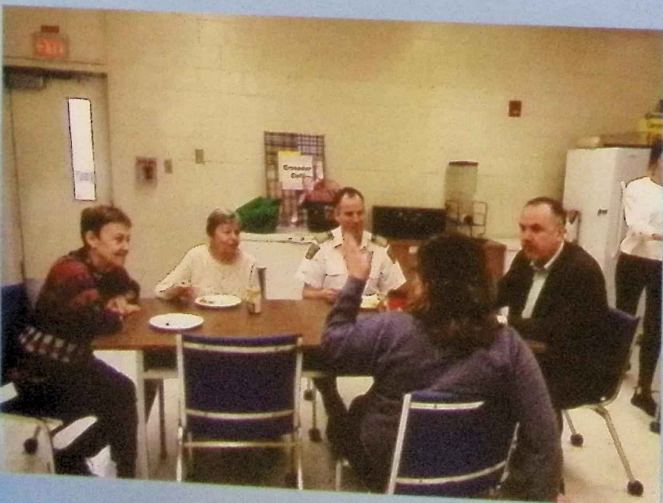

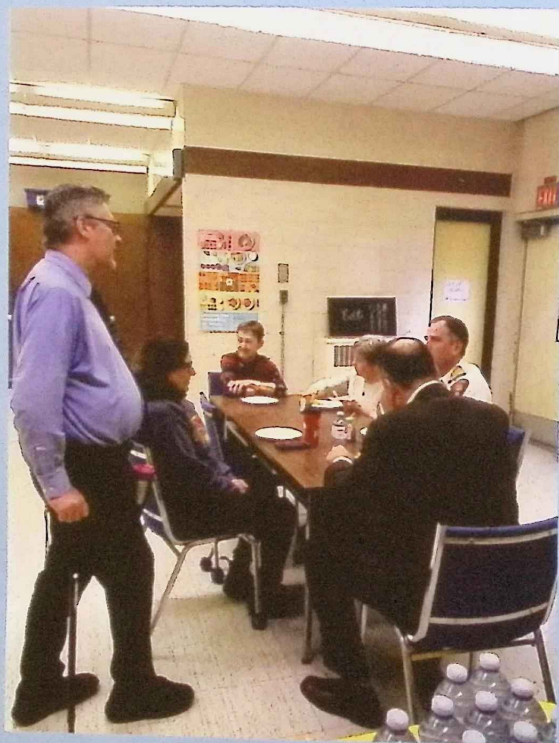

The students at Char-Lan celebrated Christmas with a week of festivities including ugly sweater day on Monday, Christmas themed Clan Activities on Tuesday, Santa Hat Day on Wednesday, red and green day on Thursday, and PJ day on Friday. Students participated in Christmas trivia and riddles on Friday as well.

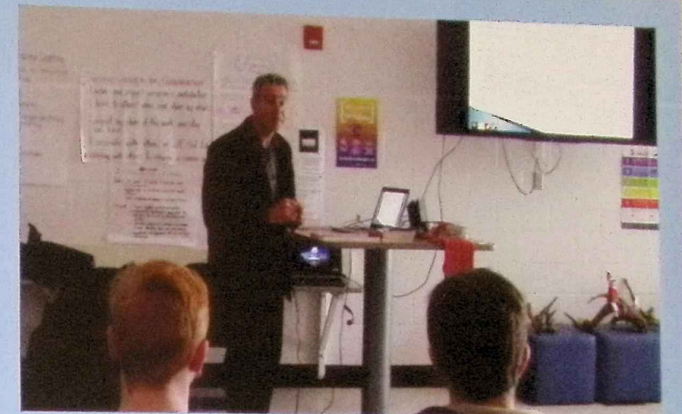

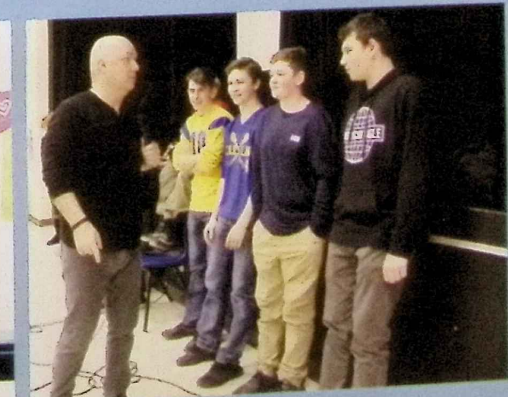

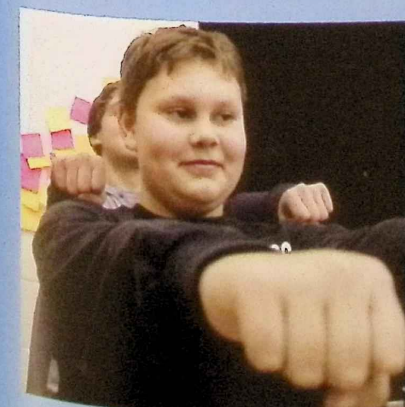

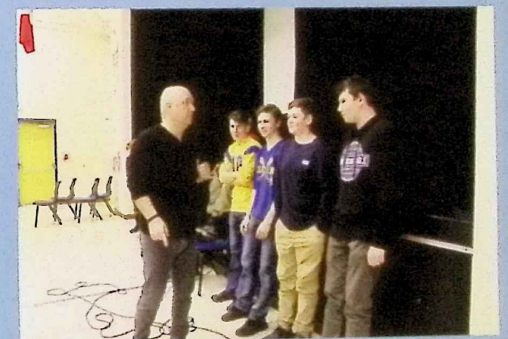

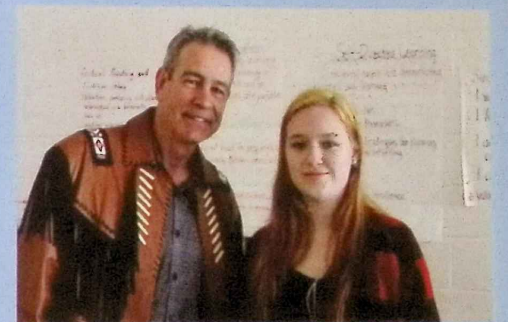

# Prom Fundraiser Pancake Breakfast

The Char-Lan Prom Committee held a pancake breakfast to raise money for their 2020 prom. Students and community members came to support the Char-Lan prom and enjoyed a wonderful breakfast made by some of the grade 12 students and staff.

The first quarter of 2020 has been off to a unique start. We have found ourselves immersed in the COVID-19 public health crisis. This is the first time any of us have experienced a pandemic of this nature in our lifetimes. For many students this will be the most impactful thing of the year. This page is dedicated to the months we were able to spend together at school this year as well as the time we spent working from home!

Thank you to everyone who contributed pictures to the yearbook! We appreciate everyone's help.
