# Principal's Message

Hello Crusaders,

As I write this yearbook address, I cannot help but reflect on where we were at this time last year. News of an international pandemic had been circulating for a week or so and many of us were anticipating our March Break holidays with family and friends. Oh, how quickly things changed, schools were closed, communities were locked-down, cross-border travel was restricted and life as we knew it came to a screeching halt. We spent the next 6 months "pivoting" to adapt to our new reality. The 2020-2021 school year started, as many do for students, with much trepidation and uncertainty. Unfortunately, this was not simply the result of a new school year with new teachers, new classmates and new expectations. Students and staff were returning to a significantly different school start up, one with, mask requirements, hand sanitizing, cohorts, social distancing, quadmesters.....quadmesters? what the heck is a Quadmester?, scheduled bathroom breaks and no cafeteria services. Which meant no garlic fingers, popcorn chicken or cinnamon buns before class started. I'm not sure how we survived?

Well, we didn't just survive, we thrived. Students and staff alike quickly settled into a routine which, much to the dismay of many students and staff, was noticeably absent of extra-curricular activities and became focused solely on academic success and getting outside at lunch to get a break from wearing a mask all morning and staying in your cohort.

As any great school does, the students and staff quickly began looking for ways to fill the voids left by the cancellation of athletics, field trip and extra-curricular activities. Student Council established evening Teams Meetings to begin planning for fun, safe spirit activities just as they had done in previous years. It didn't take long for our student leaders to come up with some great ideas. The Smile File activity was created for some Wednesday fun, virtual class challenges, Kahoots, a modified Terry Fox Day, virtual St. Andrews day not to mention all the usual spirit and focused cause days like Orange and Black Day, Gold and Blue Day, Orange T-Shirt Day and Pink Shirt Day. These traditional favourites were creatively combined with new additions like the Halloween Picture and Video Contest and the Link Crew's Winter Picture Contest.

While this year has been anything but normal, I am very proud of the efforts our Crusaders and Crusader community have put in to make the best of a difficult situation. You have adjusted to the challenges of very rigid school protocols, isolation from friends, extended school closures and online learning, the cancellation of extra-curricular events and yet you have found a way to stay positive and focused on supporting each other. Please know, you will be able to draw on this crazy experience as you continue to navigate your life's journey. As you flip through the pages of this book looking at the pictures and reading the scripts, I hope you are filled with the same warmth and sense of pride that I get every time I look at one of my old year books. Enjoy the memories no matter how crazy they are!!!

Sincerely,  
Principal Brownlee

# Vice-Principal's Message

As the 2020-2021 school year has come to an end we reflect on the many changes to what "going to school" means...synchronous learning, asynchronous learning, digital, non-digital, masks, visors, goggles, dots in the hallway, pods, assigned seating, social distancing, quadmesters. Even though this school year has been like no other, I can honestly say this year has been the most rewarding year of my profession to date. I so am proud to be a part of a caring community of students and staff who have shown resilience through these unprecedented times. Our amazing Student Council led by Mrs. Mines and Mrs. Menard met regularly to organize events that would bring a sense of togetherness and spirit to our Char-Lan students. We will not forget the many activities they planned like: Smile-files, Halloween, St. Andrew's Day, and Christmas activities. Your participation in these events proved a pandemic could not bring down our Crusader spirit!

We have all been a part of making history. It may be challenging to see that now, but this year will be a story we tell for years to come. We have paved the way for some things to be our 'new' normal. To our Grade 12 students leaving us, I am sure this is not what you had planned when you thought about what your graduating year would be like. But know this, the perseverance you have shown this year to complete secondary school and move on to the next chapter of your life journey is to be commended. You made it through this, you can make it through anything! I wish you all the best and look forward to hearing about your future endeavours.

Thank you to our yearbook committee for capturing our year of memories. This book of cherishable moments is a keepsake and proof that we made lemonade out of lemons. As you look through, you will see all of your hard work, dedication, resilience, passion, and kindness you have shown to others. Even through masks, you will see smiles!

For those graduating, I look forward to the day I can meet up with you and hear of your new adventures. To those of you who are returning, look forward to welcoming you back next school year. Have a safe and wonderful summer!

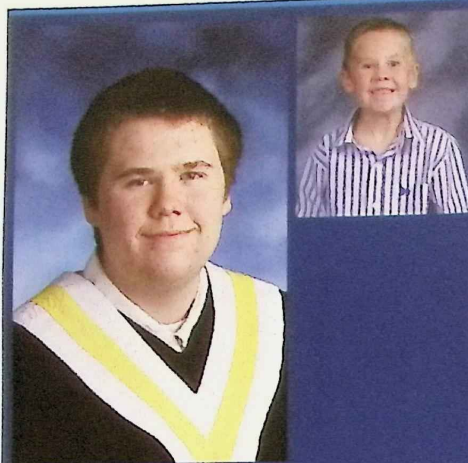

I will leave you with this inspirational poem.

"Life may be tough, things will get rough, there will be bad days, it may all seem like a haze. But through it all always, always stand tall. Giving up is not an option. Never turn your back and run. Through happy times and sad as long as you keep moving, you'll never stop growing." Author Unknown

The Ted Kennedy Legacy Award is presented in recognition of the Secondary school that raised the most money (per student). Char-Lan consistently makes great contributions to Terry Fox and it remains our signature September school event

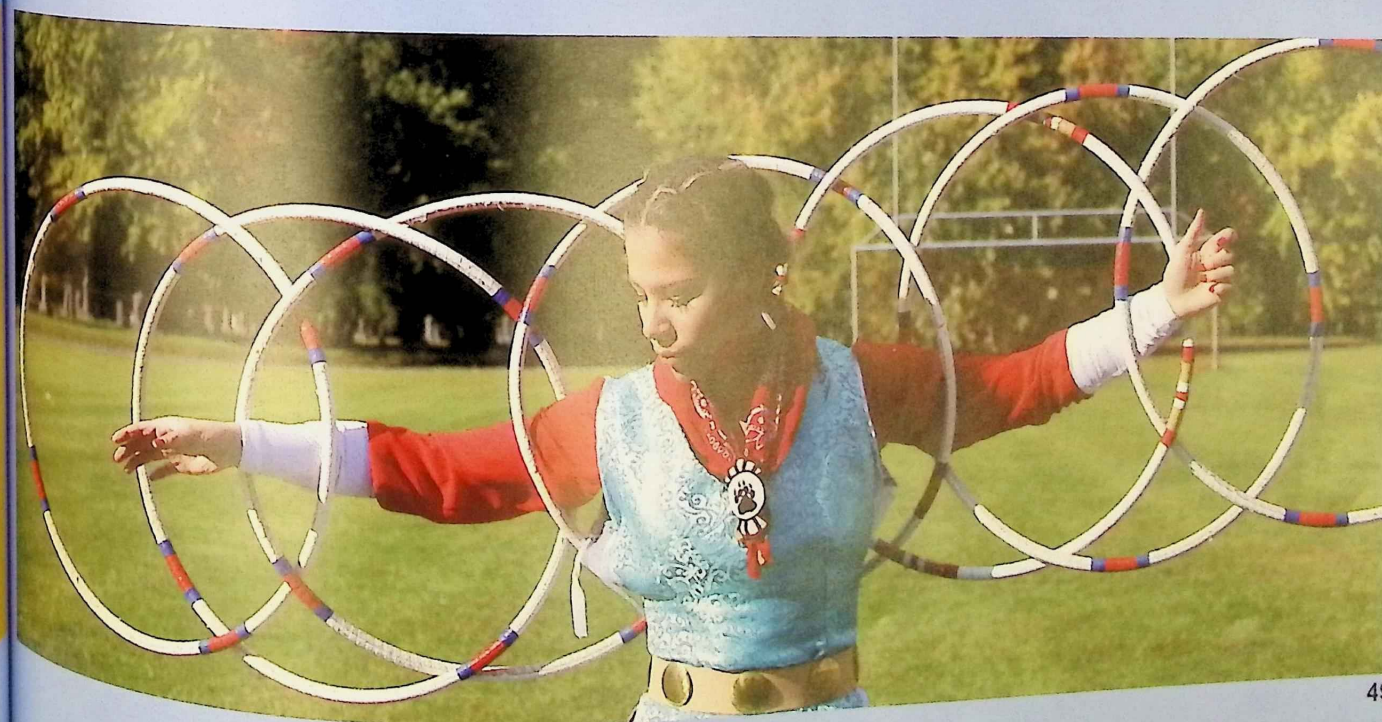

Indigenous Hoop Dancing features a dancer using a dozen or more hand-made hoops to form a variety of both static and dynamic shapes.

The dancer uses their hoops to mimic animals like eagles, butterflies or snakes. They can also imitate the circle of life and traditional creation stories.

# Feryn King

Feryn King performed and traveled with Cirque du Soleil, the world-famous contemporary circus group. The show "Totem" had the theme of the "Evolution of Humanity" and featured indigenous performers from many countries. We were lucky to experience her skillful performance right here at Char-Lan.

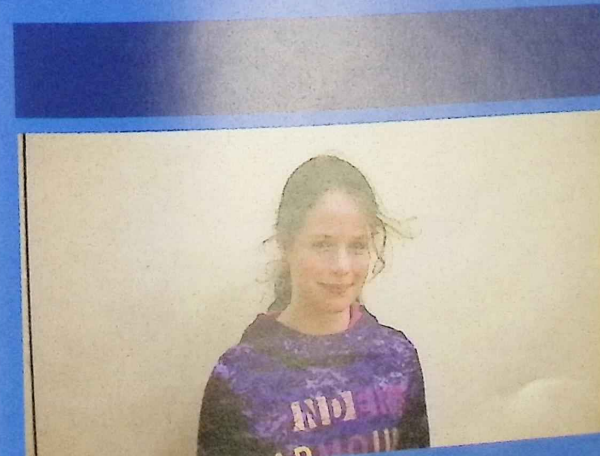

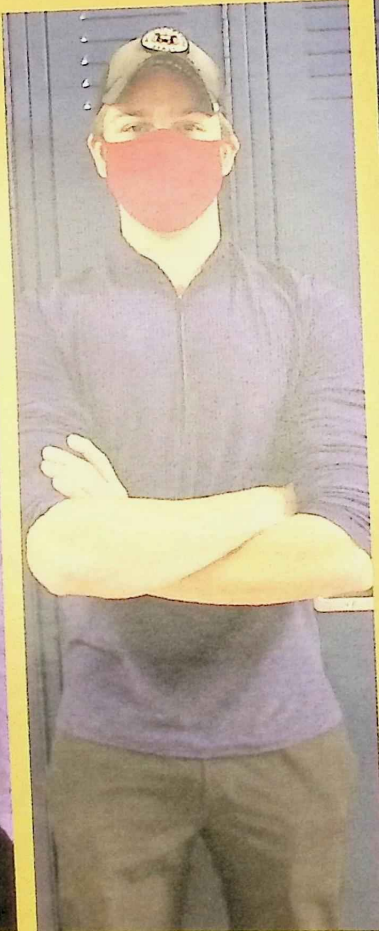

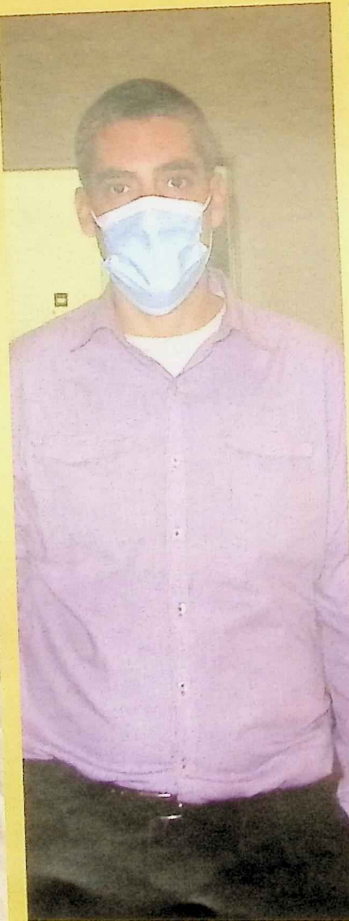

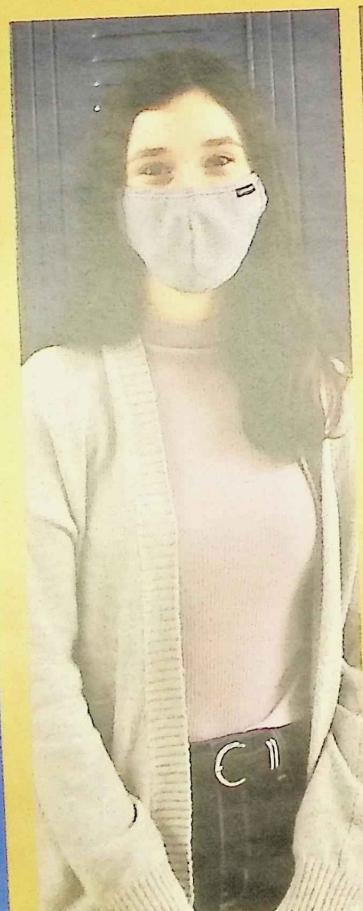

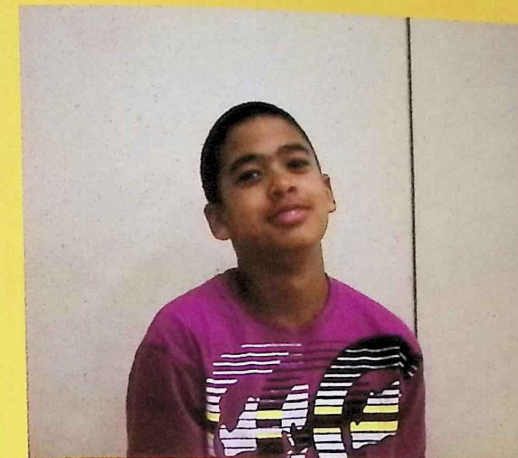

# Purple Shirt Day

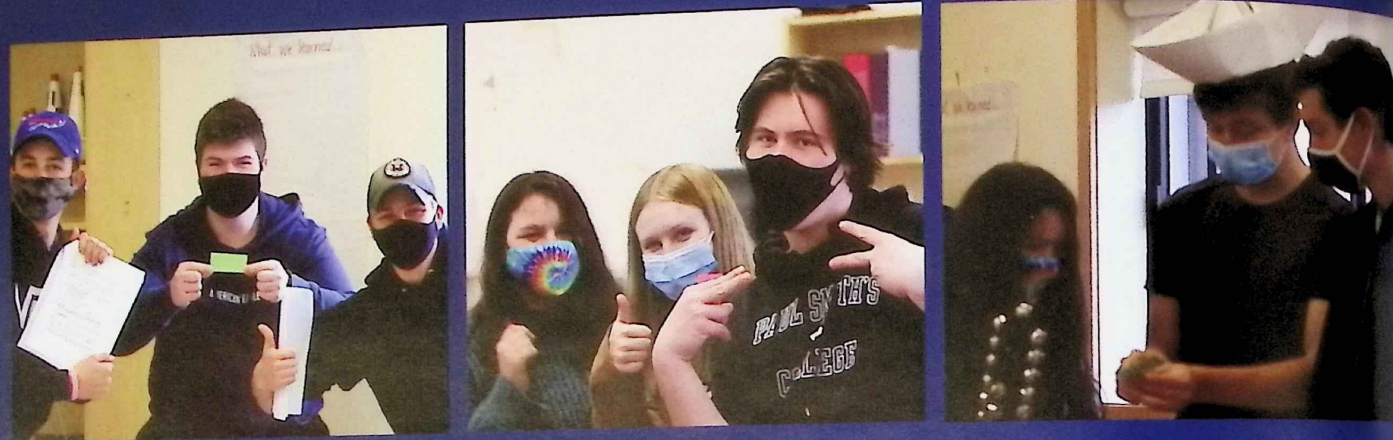

Crusaders showed their support against child abuse by wearing purple.

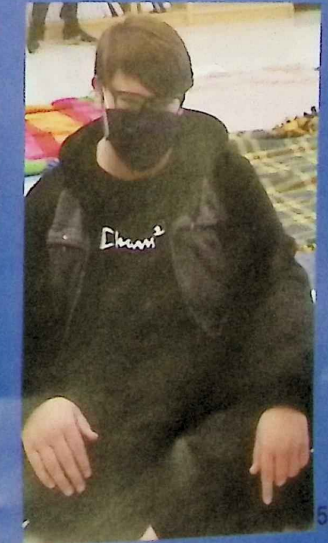

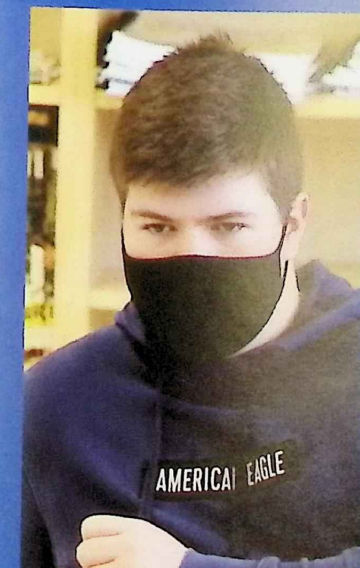

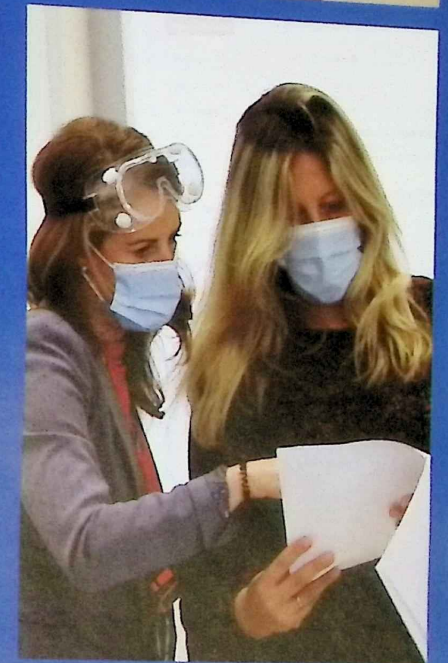

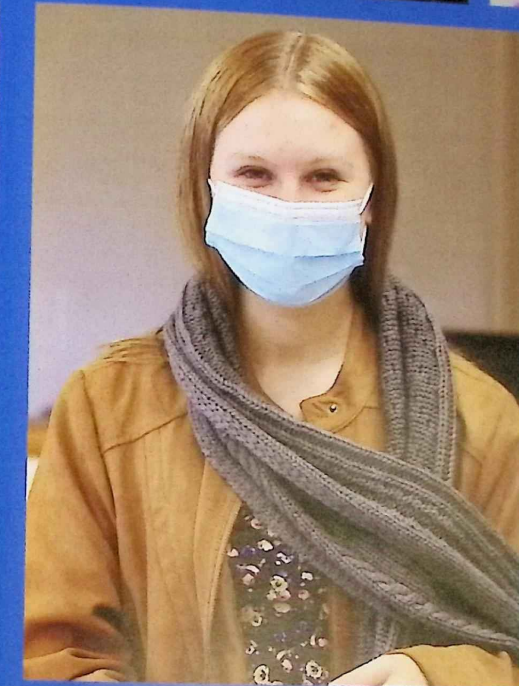

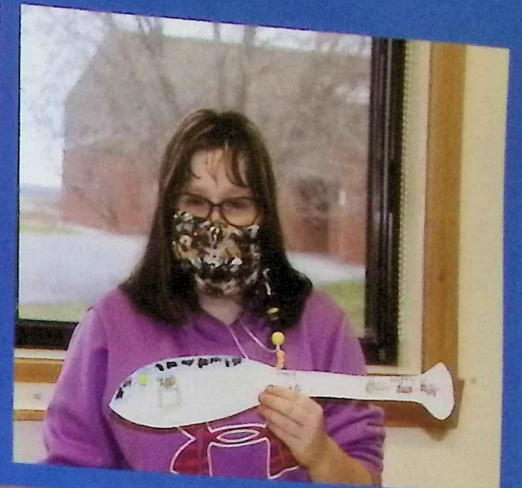

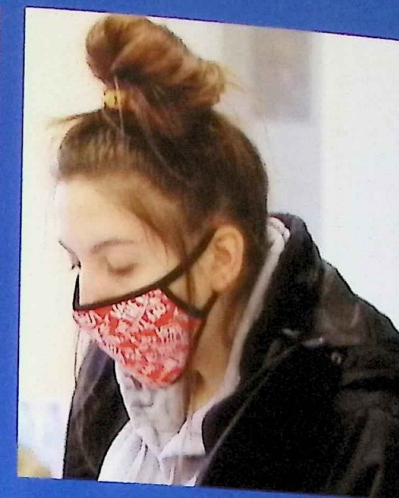

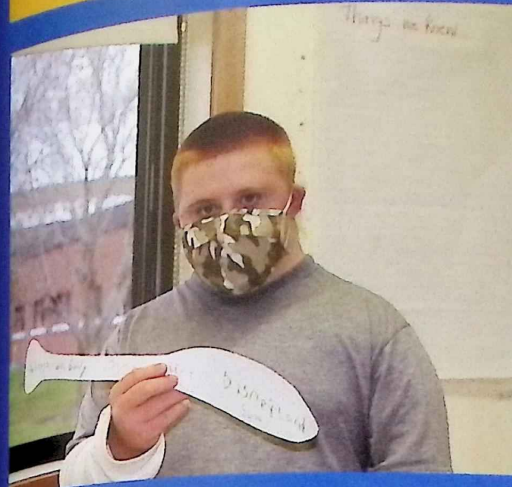

# The Blanket Ceremony

The blanket ceremony was an activity done in Mrs. Kirby's Native Studies class. Different people played different roles to represent different groups. Faith represented the Canadians, Tristan represented the Métis, and Thomas represented the Indigenous. The blankets represented the Indigenous people's land. As the activity progressed, the blankets were pushed closer together to represent the Indigenous people's land being taken away. The activity was significant in showing how Europeans took land from the Indigenous people. Written by Bryanna Dorbeck and Nathaniel Forbes, Summarized by Colby Spazuk.

This year, our Terry Fox run looked a little different. Two classes were permitted to walk the track for 45 minutes at a time. Way to go Crusaders for keeping up the spirit!

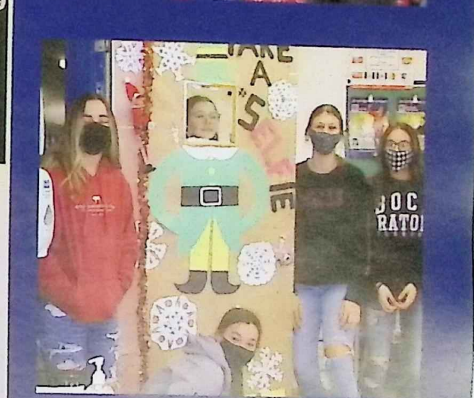

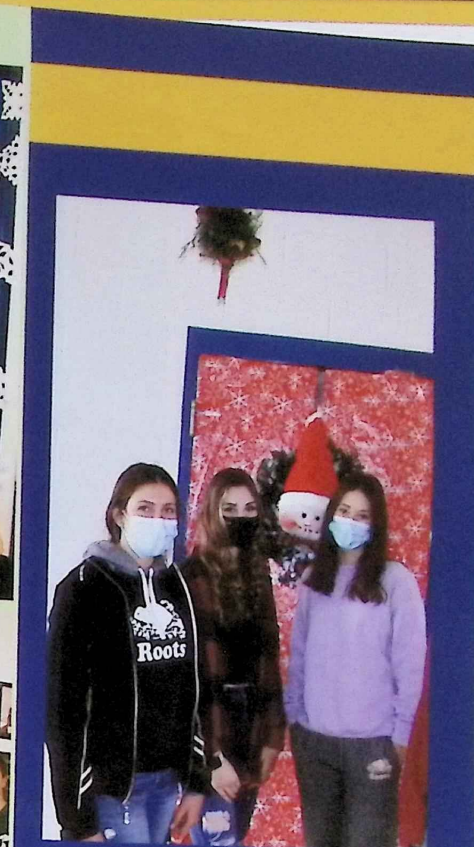

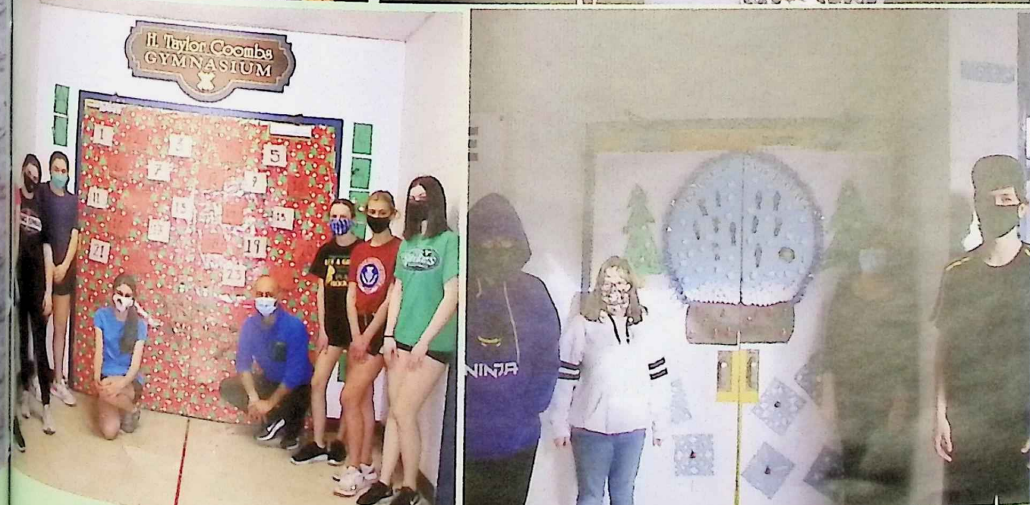

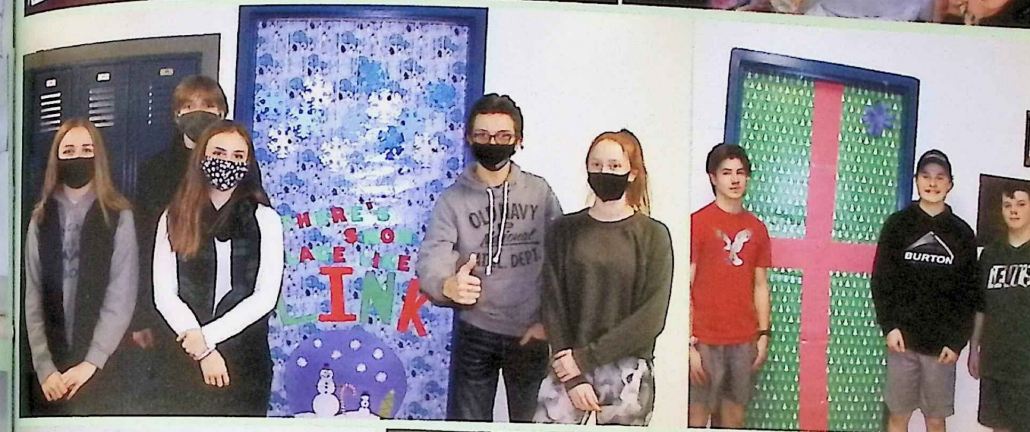

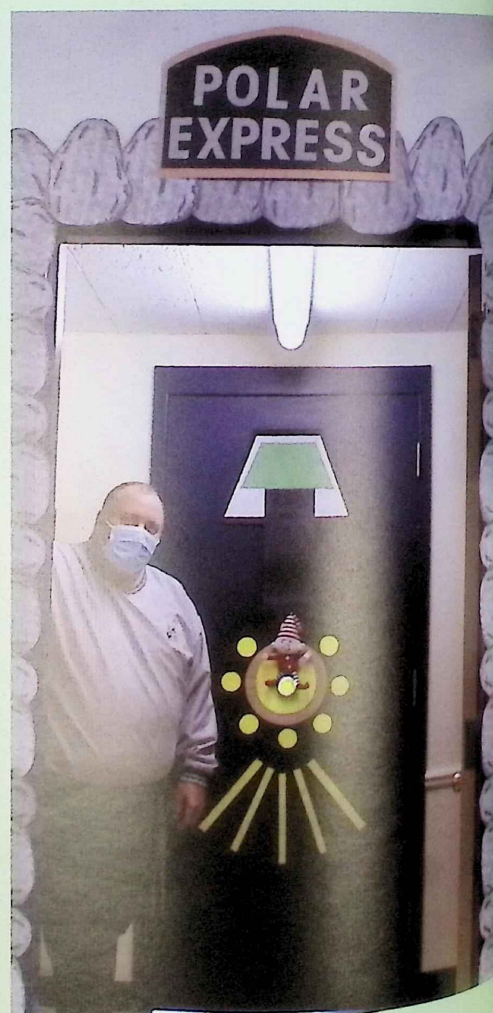

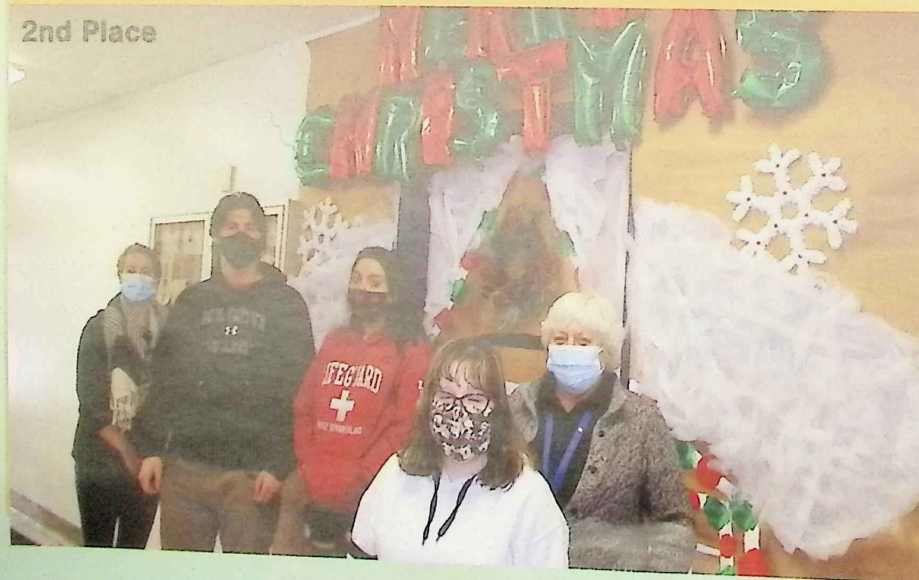

# Christmas Door Decorating

1st Place

In the weeks leading up to the Christmas Holiday, Char-Lan had a door decorating competition! Each class decorated their classroom door based on the theme they had chosen. The students and teachers worked very hard to add Christmas cheer to the halls. The winners of the competition were decided by the Student Council. The winner was Mr. O'Farrell's Grade 11 Biology class and the runner-up was Mrs. Kirby's Native Studies class.

# St. Andrew's Day

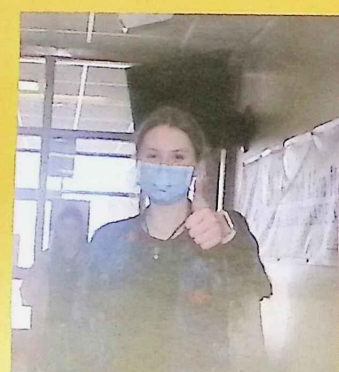

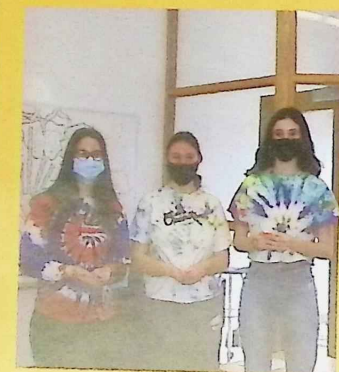

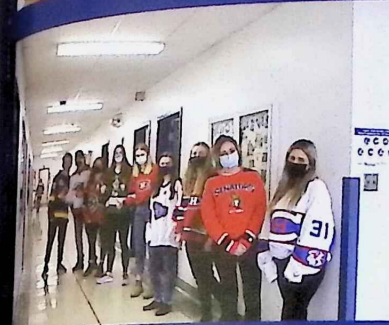

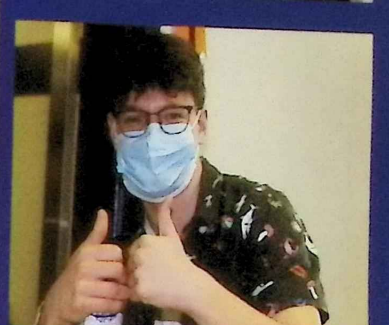

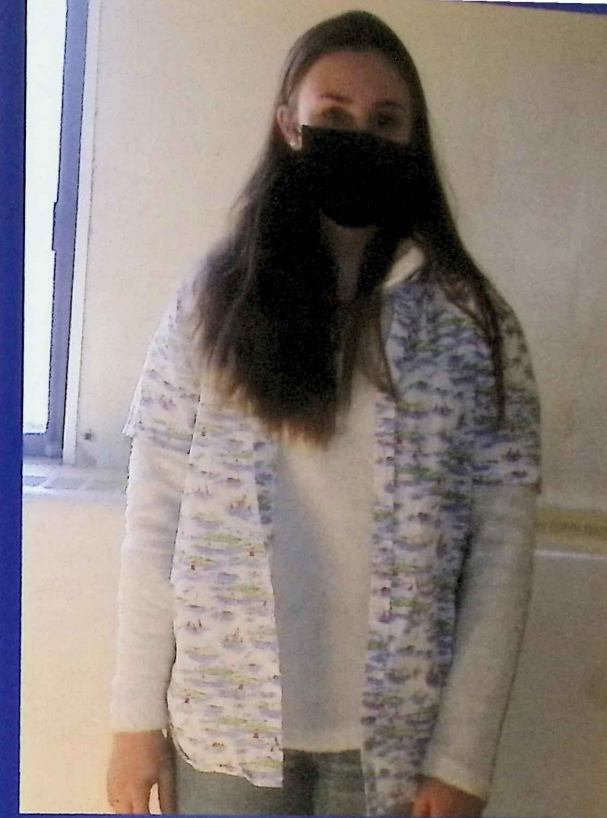

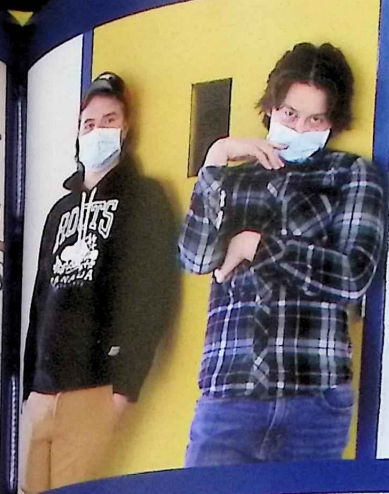

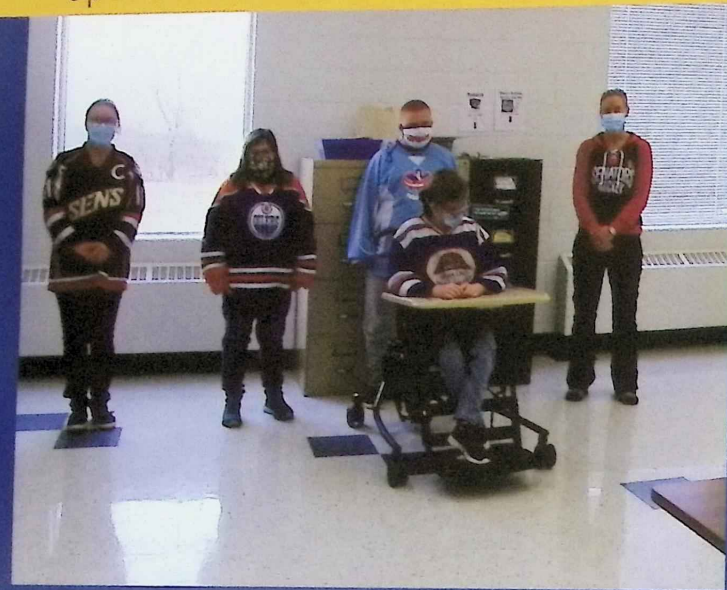

St. Andrews day happened on November 30th. Unlike normal years, Char-Lan was unable to have an in-person concert and dance. We still managed to celebrate through dressing in tartan and watching a virtual concert. Thank you to everyone who helped us celebrate St. Andrew's Day despite these circumstances!
