# Principal's Message

It is my sincerest pleasure to extend my best wishes to all our Crusaders as our 2021-22 school year comes to an end. I am proud to serve as the Principal of Char-Lan District High School. We have an amazing environment in which to learn. Students, parents, staff, and community are engaged in many excellent activities that are educational, fun, and civic-minded.

When we look back on this school year we cannot help but be reminded of what a unique and challenging year it has been! When you look back, remember that you are living through a world historic event, and remember how you and your classmates and families have learned to adapt to a unique learning environment. Your resilience and perseverance is remarkable! Remember the new connections you have made, and remember the challenges you have overcome successfully by working together as a team. When you look at all the photographs and smiling faces, remember the people and personalities who have made this year exciting and enjoyable in spite of all the challenges we and humanity have overcome.

To our students returning next year, we need you all to become future leaders at Char-Lan – in the arts, social justice, academics, athletics, extra-curricular activities, and within our community. To our Crusaders who are graduating and moving on, I wish you the absolute best fortune with your post-secondary experiences. Take the best that you have learned at our school and apply it to your life and your aspirations.

I would like to thank the Yearbook Committee for all their fine work in organizing this wonderful yearbook under such unusual circumstances. Thank you to Mr. O'Farrell and Mr. Blois who led the initiative and all the students who have assisted in its production. To the entire Char-Lan District High School community, please enjoy a fun-filled, adventurous and safe summer filled with learning and fulfilment. We all look forward to seeing you in September!

Trevor L. Wheeler, Principal

# Vice-Principal's Message

Here we are again, an end to another successful school year at Char Lan. Time flies when we are having fun! Hopefully, this will be the last year of masks, cohorts, and scheduled bathroom breaks- the end of COVID. But even with all the restrictions put in place, our Char Lan students made the best of it. Thank you to the yearbook committee for this beautiful keepsake that students will have to look back on for years to come.

Thank you to the student council for your dedication to making this yearbook possible. Congratulations and the best of luck to the Graduating class of 2022! The opportunities that await you are endless! I would like to thank the Char Lan students and staff for welcoming me to their community. Many wonderful memories were made at Char Lan that I will never forget. Each one of you will always have a special place in my heart.

I wish you all a wonderful summer and look forward to our paths crossing again.

Always remember, in a world where you can be anything- be kind!

Respectfully,

Mrs. Kirby

Another school year has come to an end. I wish to congratulate the Yearbook Committee on publishing such a wonderful collection of memories for the 2021-2022 school year. The past couple of years have been challenging but the photos in this yearbook show how resilient and enthusiastic the staff and students are at Char Lan District High School.

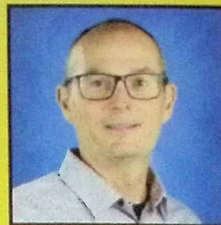

To our graduates, Congratulations! You have joined a remarkable club. As a forever Crusader myself, you will now join an alumnus of professionals, world travelers, and community leaders. Keep Char Lan in your heart as you enter the world in your chosen field. Trust me, these halls will always welcome you home!

Sincerely,  
Karen Dixon
