Principal's Message

It is my sincerest pleasure to extend my best wishes to all our Crusaders as our 2022-23 school year comes to an end. I am proud to serve as the Principal of Char-Lan District High School. We have an amazing environment in which to learn. Students, parents, staff, and community are engaged in many excellent activities that cultivate leadership, educate minds, focus on our society at large, generate creativity and create fun.

When we look back on this school year, we are reminded that we have had a terrific year of learning. We have been able to enjoy a normal school year with terrific learning opportunities. Remember the new connections you have made, and remember the challenges you have overcome successfully by working together as a team. When you look at all the photographs, remember the people who have made your time at Char-Lan an exciting and enjoyable adventure.

To our students returning next year, we need you all to become future leaders at Char-Lan. To our Crusaders who are graduating and moving on, I wish you the absolute best fortune with your post-secondary experiences. Take the best that you have learned at our school and apply it to your life and your aspirations.

I would like to thank everyone who contributed to the yearbook, the entire Char-Lan District High School community, please enjoy a fun-filled, adventurous and safe summer filled with learning and fulfilment. We all look forward to seeing you in September!

Trevor L. Wheeler, Principal

Vice Principal's Message

What a wonderful year to be a Crusader! I would like to begin by thanking the Yearbook Committee for publishing a wonderful book of memories. We have enjoyed sports, music, STEM activities and fun spirit activities during the 2022-2023 school year. This yearbook is a showcase of all our wonderful activities.

I would like to take a moment to congratulate this year's graduates. I have known many of you since your early years at Williamstown Public School and I am so proud of the young men and women that you have become. Remember the lessons that you have learned while at Char-Lan and carry your memories close to your hearts. Be proud to call yourself a Crusader! You have joined an alumnus of community leaders and, like me, Char-Lan will forever be a place to call home.

Sincerely,

Karen Dixon
